Rocky Says Nixon Must Disown Wallace

By The Associated Press
New York Gov. Nelson A. Rockefeller says refusal by his Republican presidential rival Richard M. Nixon to repudiate a suggestion that George Wallace join the GOP would be "the death knell of the Republican party in the next election."

Nixon's Southern campaign coordinator, Howard "Bo" Callaway, had repeated earlier Monday his view that the Republican side is where third party presidential candidate Wallace "ought to be."

Nixon had no comment and his aides have said Rockefeller's charges would not be answered.

But Rockefeller accused Nixon of remaining silent because the former vice president's presidential strategy "depends on getting the southern vote and Mr. Wallace is cutting in on his strength."

On the Democratic side, aides

said Vice President Hubert H. Humphrey is concerned that Sen. Eugene J. McCarthy might break party ranks and lead a third party if he loses the Democratic presidential nomination.

McCarthy has specifically denied any such intention, saying: "I have stressed from the beginning that I had in mind to work this out within the Democratic party."

The speculation by the Humphrey camp was based on McCarthy's refusal to say he could support the vice president as the party's presidential nominee.

A leader of last winter's "Dump Johnson" movement, meanwhile, said prominent anti-war figures plan an emergency meeting in Chicago next Sunday on promoting the nomination of McCarthy or some other anti-war candidate.

Alard K. Lowenstein, a Democratic congressional candidate,

said the meeting has no official connection with McCarthy's presidential campaign.

But a spokesman for Lowen-

stein said McCarthy had agreed to address the meeting.

Lowenstein was a New York leader of a movement to deny

the Democratic nomination to President Johnson before Johnson announced he was not a candidate. The movement evolved into the Coalition for a Democratic Alternative, which backs McCarthy.

In other political developments:

—Louisiana Gov. John J. McKeithen is reported conducting a behind-the-scenes campaign to become Humphrey's vice presidential running mate on grounds he could draw votes which would otherwise go to Wallace.

—A Harris survey shows a Humphrey-Sen. Edward M. Kennedy ticket would bring a Democratic landslide in November but Kennedy as the party's presidential nominee would not run as well against Nixon as would Humphrey or McCarthy.

—Secret Service men have been added to California Gov. Ronald Reagan security force

David Eisenhower Heads Nixon Youth

WASHINGTON (AP) — David Eisenhower, 20-year-old grandson of the former president, has taken his first political job as national chairman of Youth for Nixon.

And he says he's "eager to get going" in his task of appealing to fellow collegians and young people across the country on behalf of his future father-in-law, Republican presidential aspirant Richard M. Nixon.

David, tall, blue-eyed and shy

with a shock of unruly brown hair, says polls back up his belief that Nixon appeals to the nation's youth.

Although this will be his first real political job, he's become familiar on the current campaign by accompanying his fiancée, Julie, 19, on the primary circuit.

Because of his performance in the past few months, Nixon campaign pros rate the lad "a natural" for the unpaid chairmanship.

THREE PERSONS were killed over the weekend in the crash of two cars in Waterford Township, about six miles northwest of Pontiac, in Oakland County. The force of the impact sheared one of the cars in half. The photo shows the front of the auto. The inset in the upper left corner is the rear half being hoisted away. (AP Wirephoto)

Humphrey Call For Cease-Fire Brushed Aside

PARIS (AP) — "We drink coffee as we do here... We speak of the weather, the climate, of food and the landscape."

Xuan Thuy, North Vietnam's chief negotiator at the Vietnam cease-fire talks was telling foreign newsmen about his coffee break conversations with U.S. Ambassador W. Averell Harriman. When they talked for 40 minutes over the coffee cups last Wednesday, there was considerable speculation that they were getting down to some serious private discussion.

U.S. peace negotiators found no cause for cheer in Thuy's other remarks to the newsmen, in which he brushed aside the call from Vice President Hubert H. Humphrey for an immediate cease-fire and stuck firmly to Hanoi's stand that U.S. attacks on North Vietnam must stop before other peace issues can be discussed.

Thuy appeared before the Anglo-American Press Association Monday. He gave newsmen this report on the conversations:

Harriman said he was looking for a house and waiting for his wife to join him.

"At the last meeting, we took up the frequency of meetings and we agreed that there should be one meeting a week, on Wednesdays," Thuy said.

What U.S. officials called his "hard line" was reinforced by a declaration in the North Vietnamese army newspaper. It called Harriman "ridiculous, absurd, and arrogant," for demanding an end to the rocket bombardment of Saigon and curtailment of military operations if the United States stops bombing North Vietnam. The paper said attacks on Saigon would continue as long as it remains U.S. headquarters.

Thuy in his speech to the newsmen made a new appeal to world opinion "to continue to condemn the intensification of war crimes and aggression by American leaders" and to press the United States to end the bombing of the North unconditionally.

Play Areas Grant

WASHINGTON (AP) — Oakland County has been awarded a \$197,850 federal Department of Housing and Urban Development grant to help buy 138 acres in Groveland Township for children's play areas, in addition to facilities for the handicapped and the elderly.

Weather

ESCANABA AND VICINITY—Cloudy with intermittent rain of showers today and tonight, probably ending Wednesday. High today, 83 and low tonight, 48. High yesterday, 67 and low overnight, 49. Continued cool Wednesday. Winds northeasterly, 15 to 25 mph, today and tonight. Thursday outlook: partly cloudy and cool. Precipitation probabilities: today, 30%; tonight, 60%; Wednesday, 30%.

Sun sets today at 8:48 p.m. and rises Wednesday at 5:08 a.m.

Copters Crash; 19 Die

SAIGON (AP) — Nineteen American and 19 Thai soldiers were killed in five helicopter crashes around Saigon today and Monday as allied forces intensified their drive to thwart another Viet Cong attack on the South Vietnamese capital.

Another two American fliers were missing in North Vietnam following the downing Monday, due to "unknown causes" of a Navy A6 Intruder from the carrier Enterprise. It was the 859th U.S. plane reported down in combat over the North.

The U.S. Command said four of the helicopter crashes were accidental. The fifth touched off a 12-hour battle in which American infantrymen said they killed 46 Viet Cong troops 19 miles southwest of Saigon.

Copters Collide
The American dead included the commander of an infantry battalion and his executive officer.

The worst crash occurred at 7:55 a.m. today as an armada of U.S. Army helicopters was ferrying troops of the Royal Thai Army on a combat assault 16 miles east-southeast of Saigon.

Speeding through poor weather with the clouds down to 200-300 feet and visibility only half a mile, two of the UH1 helicopters collided in the air. The resulting explosion knocked down a third one flying close by.

All 12 American crewmen and their 19 Thai passengers were killed and the three helicopters were destroyed.

Another Shot Down
A U.S. spokesman said the combat sweep was suspended as helicopters and recovery teams were rushed into the area.

A fourth helicopter was shot down by enemy ground fire 19 miles southwest of Saigon Monday while looking for Viet Cong troop positions. An hour later, U.S. infantrymen from the 9th Division on their way to the downed chopper ran into an enemy force entrenched in bunkers in the area.

Nearly 400 more American soldiers were rushed up as helicopter gunships and artillery blasted the enemy bunkers. U.S. Headquarters said a sweep of the battlefield after the 12-hour battle turned up 46 enemy bodies and 19 weapons.

Fifth Downed Monday
Both helicopter crewmen had been killed, and five American infantrymen were killed and nine were wounded in the ground action.

The fifth helicopter went down Monday afternoon in the Nha Be

River, nine miles southeast of Saigon. Five Army men were killed, including the pilot, and a battalion commander and his executive officer directing ground troops sweeping the area.

Four other men were injured: Three Army men and a cameraman for the American Broadcasting Co. Jim Decker, 34, of Shreveport, La., who had been wounded twice previously in battle. This time he suffered severe lacerations of both ears and leg bruises.

The helicopter was believed to have crashed because of engine trouble. Decker said the engine began to sputter over the river and he heard no shots.

Waves of American B52 bombers meanwhile pounded newly discovered troop concentrations and base camps that could be used for attacks on Saigon.

Guardsmen Quell Ohio Pen Rioting

COLUMBUS, Ohio (AP) — Ohio National Guardsmen ordered into the riot-torn state penitentiary Monday assisted guards today in maintaining order after it was discovered that important keys were missing and presumed in the hands of inmates.

Prison officials were searching for the keys, confiscating weapons and planning to launch an intensive investigation into the riot and fire that caused an

estimated \$1-million damage and left 50 persons injured.

John McElroy, chief aide to Gov. James A. Rhodes, said 150 guardsmen were being kept on duty inside the cellblocks and on the grounds of the huge complex in three shifts. He said an additional 800 troops remained on standby duty at nearby Ft. Hayes.

Prison guards, highway patrolmen and Columbus police fought rampaging convicts for more than five hours Monday before restoring order. During the height of the riot inmates set eight fires that caused heavy damage to seven prison buildings, including the hospital.

Most of the injured suffered smoke inhalation and did not require hospitalization.

General rioting erupted after the first fire was set about 8:30 a.m. in the prison's print shop. Soon convicts were battling guards and police with baseball bats, homemade knives, scissors and golf clubs taken from a miniature golf course as fires began about the prison compound and burned unabated.

Five hours later Maury C. Koblenz, state corrections chief, said the situation had been brought under control and inmates were being returned to their cells. About that time 200 National Guardsmen were brought into the prison to relieve weary police.

Neither Koblenz nor Prison Warden Ernest Maxwell could pinpoint the cause of the rioting. But Koblenz said there had been "simmering discontent" among the inmates in recent weeks and Maxwell said the outbreak was touched off by "90 to 100 troublemakers" among the 2,750 prisoners.

No shots were fired during Monday's rioting.

The 123-year-old prison near the heart of downtown Columbus has been a controversy for years because of overcrowded conditions. On April 21, 1960, a fire set by disgruntled inmates killed 250 convicts. At that time, 4,232 inmates were crowded into quarters built for 1,000.

Lawmakers Are Divided Over Weapon Control

WASHINGTON (AP) — President Johnson has called for the federal registration of every privately owned gun in the nation and set off a controversy in Congress.

Johnson asked for the stricter gun control laws Monday in a strongly worded message to both the House and Senate. The White House said specific legislative proposals would follow.

"Homes and city streets across the nation which might have rung with gun fire will be spared the tragedy of senseless slaughter," the President said.

Johnson's proposals were attacked by Rep. Robert L. F. Sikes, D-Fla., who said "the principal deduction to be drawn from the message is that there is a deplorable lack of law enforcement in this country."

Ask Law Enforcement
Sikes is a former director of the National Rifle Association, the principal opponent of stringent gun controls, particularly the registration of weapons.

Also calling for stronger law enforcement and criticizing the gun control proposals were Reps. L. Mendell Rivers, D-S.C., and Howard W. Pollack, R-Alaska.

But Sen. Joseph D. Tydings, D-Md., sponsor of a pending bill along the lines of Johnson's recommendations said the President "has answered the demand of the American people to heed the menace of the gun traffic."

Congress already has passed legislation barring mail-order sale of pistols and Johnson called again for quick action on pending legislation that would prohibit such sale of rifles and shotguns.

Licensing Urged
The President's new recommendations call for federal registration of guns to be recorded in a single computer center, and licensing under definite federal standards of all persons who own guns.

The licensing could be done by states if they meet the federal standards but the federal government would step in if they failed to establish the licensing in 10 years under the proposals.

Johnson said registration and licensing long have been accepted on automobiles and boats—even dogs and bicycles in some communities—and licenses are required to fish, hunt and drive.

Johnson said the federal licensing standards he proposes would prevent purchase or possession of firearms by criminals, dope addicts, alcoholics, the mentally ill, and all others whose possession of guns would jeopardize public health, safety or welfare.

A group headed by former astronaut John Glenn Jr., meanwhile, announced a national effort to prod Congress to enact stronger gun control legislation.

He said his Emergency Committee for Gun Control is asking Americans to send millions of post cards, letters, telegrams and petitions—and make phone calls and personal visits—to congressmen urging legislation for gun registration and strict control of mail order sales.

Quick Curfew Quiets Washington Disorder

WASHINGTON (AP) — National Guardsmen carrying riot control weapons patrolled the curfew-emptied streets of the nation's capital early today after disorders broke out following the forcible closing of Resurrection City.

District Mayor Walter Washington declared a state of emergency and called in 1,450 National Guardsmen Monday after unruly crowds of Negro youngsters hurled bottles and rocks at officers in the same area where riots occurred last April.

These measures, plus the extensive use of tear gas and the imposition of a dusk-to-dawn curfew appeared effective and there was relatively little damage. Police reported 274 persons were arrested on various charges—including 98 accused of curfew violations—between

noon Monday and 6 a.m. today and one man wounded by a detective's bullet as he fled a looted liquor store.

Little Looting
Mayor Washington said late Monday there had been "a relatively small number of windows broken" and "very little looting."

"The amount of disorder and violence is very limited," added Public Safety Director Patrick Murphy. "I urged the mayor to impose the curfew. As a result, we were successful in clearing streets of crowds."

Mayor Washington said the curfew would be lifted "as soon as conditions are restored to normal."

Police Prepared
Unlike the riots in April, when authorities drew stiff criticism from Congress and local merchants for not acting fast enough, National Guardsmen were on the streets within a few hours after the first signs that the day might not end as peacefully as it began.

Police were prepared for violence when 1,000 of them suddenly descended off Resurrection City, mud-soaked showplace of the Poor People's Campaign, at 9 a.m. Monday.

They needn't have been. In the hour and a half it took for 200 police to sweep through the 15-acre campsite checking each of the 540 plywood huts, 119 people were peacefully arrested.

Arrests Peaceful
At about the same time, The Rev. Ralph David Abernathy, toothbrush in pocket, led a march in the Capitol where 224 equally peaceful arrests were made. Police gave everyone who did not want to be arrested a chance to leave.

Trouble, when it came, began three miles away at 14th and U streets, a run-down, honky-tonk Negro neighborhood. The Poor People's Campaign headquarters is in a building on the corner.

Reinstatement of Dr. McClellan for the academic year 1968-69 and for dismissal of the litigation."

Reinstatement of Dr. McClellan for another year still of attaining tenure. Five years is required for tenure, a status which prevents dismissal except for cause and after a hearing.

Marvin L. Heitman, Marquette attorney for Dr. McClellan and George E. Hill, Marquette attorney for Northern, declined any comment beyond the statement issued by Bushnell's office.

Hire McClellan As NMU Settles

DETROIT (AP) — Dr. Robert F. McClellan has settled out of court his damage suit against Northern Michigan University.

The settlement includes reinstatement of Dr. McClellan to the Northern Michigan faculty as an assistant professor of history for the 1968-69 school year.

Whether any damages also were involved was not disclosed in today's announcement of settlement.

McClellan had claimed that Northern's dismissal of him, to become effective at the end of the current school year, was illegal and violated the university's own rules and regulations.

Northern disputed this and pointed out that McClellan had not attained tenure status when advised a year ago that his contract for the 1967-68 year would be a terminal one. The college said McClellan had failed to meet its standards of scholarly conduct.

Out-of-court settlement was announced by George E. Bushnell Jr., a Detroit attorney employed by Northern to defend it against McClellan's U.S. District Court suit.

Dr. McClellan was joined in his damage suit by 137 Northern faculty members and the Student Government Association.

Out-of-court settlement was announced by George E. Bushnell Jr., a Detroit attorney employed by Northern to defend it against McClellan's U.S. District Court suit.

Dr. McClellan was joined in his damage suit by 137 Northern faculty members and the Student Government Association.

Bushnell released the following statement:

"During the past year the academic community at North-

ern Michigan University has been confronted with a number of serious issues stemming from the nonreappointment of Dr. Robert F. McClellan, assistant professor of history.

"As a result of this, litigation was instituted against the university by Dr. McClellan, 137 members of the faculty and by the Student Government Association.

"Based on the primary consideration that the welfare of the university is paramount and with the conviction that academic issues are best resolved within the academic setting, the parties to the suit have agreed to out-of-court settlement of the matter which calls for reinstatement of Dr. McClellan for the academic year 1968-69 and for dismissal of the litigation."

Reinstatement of Dr. McClellan for another year still would leave him one year short of attaining tenure. Five years is required for tenure, a status which prevents dismissal except for cause and after a hearing.

Marvin L. Heitman, Marquette attorney for Dr. McClellan and George E. Hill, Marquette attorney for Northern, declined any comment beyond the statement issued by Bushnell's office.

"No comment" was their response to whether any monetary damages were included and whether Dr. McClellan might be retained past the 1968-69 school year.

Hero's Honors Go To Parents

The nation's second-highest military honor, the Silver Star Medal, and four other medals were awarded posthumously in a June 17 ceremony in Green Bay to Navy Fireman Robert J. Moras of Escanaba, who was killed in action last December in Vietnam.

The awards were presented to his parents, Mr. and Mrs. John Moras, 220 N. 19th St., by Rear Admiral Henry A. Ranken, commandant of the Ninth Naval District, who read a citation from Paul R. Ignatius, secretary of the Navy, which commended Fireman Moras for "conspicuous gallantry and intrepidity in action" and for "outstanding valor and inspiring devotion to duty in the face of intense enemy fire."

Fireman Moras was killed in the Mekong Delta Region, South Vietnam, when he refused to leave the machine gun mount of his riverboat Monitor, a protective escort vehicle, during a rain of enemy fire.

Besides the Silver Star, which is rarely granted by the Navy, he was also awarded the Purple Heart Medal and certificate, the National Defense Service Medal, the Vietnam Service Medal and the Republic of Vietnam Campaign Ribbon Bar.

Posthumous awards were also given to the survivors of James R. Loy, Green Bay; Steven R. Swatek, Peshtigo, Wis.; and Lawrence W. Stangel, Alton, Wis.

Among the dignitaries attending the ceremony at the Green Bay Naval Center were Bishop Aloysius J. Wycialo, Catholic Bishop of Green Bay; Green Bay Mayor Donald Tillman; Wisconsin Assemblyman Jerome Quinn and representatives of the Green Bay City Council.

Knights Honor F. E. Denome

Francis E. Denome of 118 S. 23rd St., has been elected faithful navigator of the Escanaba Assembly No. 640 Fourth Degree Knights of Columbus. He succeeds Sir Knight Ernest Bernier of Escanaba.

Denome has been a member of the Escanaba Council for several years and was exemplified as a Fourth Degree Sir Knight on Sept. 30, 1964. He has been a trustee of the Escanaba Assembly for the past three years and had been business agent for the Operating Engineers Union until his retirement recently.

Other officers elected are Clinton Groos as faithful captain; Lucian Matkowiak as faithful pilot; Ernest Bernier as faithful admiral; and Gene L. Marzenko as faithful controller. Ernest Bernier and Napoleon Batters were elected to the offices of inner sentinel and outer sentinel respectively, while John Dishno, Joseph Grandine and John Senkovich were elected as trustees.

The faithful friar of the Assembly will be appointed by Bishop Charles A. Salatzka. Present Faithful Friar is Fr. Stephen Mayrand of St. Ann's Church.

Members of the Assembly were served an Italian dinner by the knights of the Powers-Speiding area.

City Recreation Program Wins Director's Praise

"The Escanaba recreation program ranks with the best in the Upper Peninsula, and for that matter, in the entire State," Paul Vardigan, acting director of the Recreation Dept., told the Escanaba Kiwanis Club Monday.

Listing a few of the summer programs such as swimming, recreation league baseball, junior softball, minor league and Little League baseball, American Legion baseball, tennis, adult softball, wading pool, arts and crafts, girls softball, and the July 4th celebration, Vardigan remarked that the department really has its hands full.

Vardigan praised the Kiwanis club for its participation in the Babe Ruth league and Little League as sponsors of teams. Then putting on his hat as a teacher, Vardigan also thanked the club for assistance in the oral-deaf program at the Lemmer School.

Speaking of the new recreation center, Vardigan said that it will give the department a new start, so to speak, entering into many new programs that could not be carried out because of the limited space in the old center. Expansion of the programs already in operation will also be covered.

Besides providing recreation for the youth of the area, the department also sponsors programs such as women's and men's volleyball, adult physical fitness, Golden Age and Senior Citizens and many others. Many new programs will be originated with the opening of the new center about Sept. 18.

A car driven by Onnie Rentola, Rock, struck a deer on M-35 in Maple Ridge Township Monday, State Police reported. Troopers also said Lulu Marttila, Sudbury, Ont., Canada, escaped injury Sunday when her car ran into a ditch off U.S. 3 in Esnig Township. She told officers she swerved to avoid a deer.

A breaking and entering at a camp owned by George DeGrave, 2310 5th Ave. N., Escanaba, is under investigation by State Police. The camp is located at Breezy Point. Nothing was reported missing.

Escanaba City Clerk Donald J. Guindon was elected Second Vice President of the Municipal Clerks Association of Michigan at its annual workshop conference in Harbor Springs June 19-22. Guindon has been City Clerk since 1962 and was elected to the executive committee of the Municipal Clerks Association of Michigan in 1965. Guindon will serve in his new office until the next annual workshop conference, to be held in Bloomfield Hills during the first week of March, 1969.

Annual July 4th Program Planned At Hermansville

HERMANVILLE — The Leo Floriano American Legion Post 840 and the Senior Class of Hermansville High School are jointly sponsoring the July 4th celebration in the village this year. The class members will operate the concession stands on the main street.

Richard Whitens is general chairman of the day's activities and the American Legion committee consists of Joe Urlick, Julius Halterman, Woodrow Trudell, Matt Gurgall and Ted Gurgall. Donald Hornik, Richard Cronick and Charles Kelly head the soliciting committee and all business firms will be contacted. Frank Rodman is publicity chairman.

The annual Homecoming Dance will be held at the Camp

Seven American Legion Clubrooms on Wednesday, July 3. There will be games and races for children on the main street. A special appeal has been made to all business firms and individuals to enter floats in this year's parade.

Many reunions are also planned for the holiday weekend. The Bella Venezia Lodge, (Italian Lodge) will hold a reunion on Sunday, June 30 at Nadeau with approximately 50 persons, many former residents are expected to attend. The Senior Class of Hermansville High School (1958) will hold a class reunion on Saturday, July 6 and many families plan reunions over the July 4th holiday.

The Legion will meet Thursday evening at the lodge rooms to appoint various committees for the celebration.

CLASSIFIED ADS COST LITTLE BUT DO A BIG JOB

Marquette Girl Fair Art Winner

Susan Bohjansen of Marquette is winner of the Upper Peninsula State Fair premium book cover contest, announced Cliff Ferras, manager of the Fair.

The contest is now in its eighth year, and hundreds of grade and high school students participated. Sponsored by Bancroft Dairy of Marquette, it has created interest throughout the U.P. and awards go to four area winners besides the grand prize winner.

Winners follow: grand award of a portable television set to Miss Susan Bohjansen of 1619 Wilkinson Ave., Marquette. She is a 16 year old sophomore attending Marquette Senior High School, the daughter of Mr. and Mrs. Robert R. Bohjansen. Her art teacher is Mrs. Militta Georgevich. Upon graduation from high school, Susan plans to continue her art studies at college. Her hobbies are cartoon drawing, canoeing, water skiing and sports. Her sister, Barbara, was a district winner several years ago.

Winner for Area 1, which includes Chippewa, Luce, Mackinac and Schoolcraft counties, was Karl Krumrey, 19, who has just completed his freshman year at Manistique High School. He is the son of Mr. and Mrs. Karl H. Krumrey, Indian Lake Road, Manistique, and plans to attend art school. Karl was a 1967 district contest winner. He is interested in a career in wildlife management. Karl's art teacher is Mrs. Talisto Orhanen.

Winner in Area 2 which is composed of Delta, Menominee, Dickinson and Iron counties, is Doris Holstrom who resides with her parents, Mr. and Mrs. William Holstrom, 1722 Montana Ave., Gladstone. She is a freshman at Gladstone High School and is 14 years of age. Doris has studied with Mrs. Alice Powers, art director at Bay de Noc College in Escanaba, and Don Saykly, art teacher at Gladstone High. She plans a career in nursing or art.

Colleen Masters was named Area 3 winner from Alger, Marquette, and Baraga counties. She was also a district winner of the 1967 contest. She is a 12 year old seventh grade student at Mather High in Marquette, and lives with her parents at 612 W. Onota St., Munising. No art classes are available at her school and Colleen gains many of her ideas from art books at the library. She is interested in a commercial art and design career.

Area 4 winner from Ontonagon, Houghton, Gogebic and Keweenaw counties is Karen Honkala of Rural Route 1, Ontonagon. A daughter of Mr. and Mrs. Wayne Honkala, she attends the Ontonagon Area High School and is a 14 year old freshman. Karen's ambition is to teach art and music, and credits her art teacher, Mr. Polkinghorne for much of her success in the art field.

This year's cover depicts a stylized barnyard scene with a carnival insert, and is printed in three colors.

May Timber Sale Brings \$34,666

State foresters collected \$34,666 for the sale of state timber from 333 permits in the Upper Peninsula in May. Foresters also issued 68 new timber cutting permits that covered 3,798 acres with an estimated timber value of \$48,948.

Forestry District I (Baraga) received \$7,960 from 157 timber permits. Forestry District III (Escanaba) received \$9,034 from 88 permits and District IV (Newberry) collected \$17,672 from 79 permits.

In addition, state foresters marked 402 acres of U. P. timber and cruised 1,217 acres for an estimated 6,714 cords of pulpwood available for future sale.

All members of London's Royal Society are subjects of the British crown.

Cheaper Crossing

The Associated Chambers of Commerce of Upper Michigan are sponsoring a luncheon program at St. Ignace on Friday to honor the builders of the Mackinac Bridge on its 10th anniversary and the Michigan Legislature and Governor George Romney for reducing the tolls on the bridge, effective Jan. 1. The present \$3.75 charge per car will be reduced to \$1.50.

There are expected to be 500 persons at the luncheon on the Upper Peninsula says "Thank you to the state for making it less expensive to visit Lower Michigan."

Even the \$1.50 fee will rankle with Penninsulans because they regard it as a discrimination against the Upper Peninsula. Nowhere else in Michigan is the traveler required to pay a highway bridge toll. The Lower Peninsula seems to regard the Mackinac Bridge as something for the Upper Peninsula, not for all Michigan.

Before the bridge, the Straits crossing was made by State Highway Department ferries. The bridge is a great improvement of the boats. They took an hour to cross, if you were lucky enough to get your car aboard one without a wait. Now 12 minutes does it on Big Mac.

The Upper Peninsula, thankful for such a big reduction in tolls, isn't going to barf about discrimination still in the lesser toll, but rejoices in the prospect that the reduced cost of crossing will attract more travelers to the Upper Peninsula.

It is a happy circumstance that Prentiss M. Brown still is about to take a bow when they thank him again on Friday for having built the bridge. One man alone, of course, couldn't do it, but without that particular one man it is most doubtful that the Mackinac Bridge would be built yet. He had the vision and the courage and the ability to assemble a great team that brought it to completion in November of 1957.

The bridge is reported by engineers to be as sturdy today as when it was opened, having suffered little or no wear on its foundations. It has been crossed by an estimated 41.6 million persons in 13 million vehicles. The tolls have brought in \$55 million. The bridge cost \$100 million ten years ago and would cost a heck of a lot more today.

The decision to have the taxpayers of Michigan pick up the tab for the toll reduction didn't make everyone happy. It reduces the share of the cost which will be borne by tourists, but it should help make the two peninsulas of Michigan into one state. There could be great benefits for the Upper Peninsula in this and it will now hope to see a much greater realization of the potential of the Mackinac Bridge than when it cost \$3.75 to take an automobile over it one way.

First the bridge eliminated the delay and uncertainty about timely crossing at Mackinac, and now the toll is being reduced 60 per cent. The induced traffic will not, we're sure, be increased only by the actual cash saved, but also by psychological influence. The round trip toll will now be \$3 instead of \$7.50. It's a big difference and it will, we are confident, create an even bigger difference in the two peninsulas' regard for each other.

The travel time to the Lower Peninsula has been greatly reduced for us and now the Straits levy is being chopped. Perhaps some of the hundreds of cars of sightseers from the Lower Peninsula which turns about at Mackinaw City yearly after looking to the majestic towers of Big Mac and admiring the sweep of its suspension span will dare to cross over.

The luncheon is one of the first ventures of the Associated Chambers of Commerce of Upper Michigan and it's a fine start for the new organization. Our Governor and Legislators should like the praise that awaits them, too; it may be the last they hear before November.

Win At Bridge

| Opening lead—♦ K | | | |

All good bridge players are lucky. At least they make skill look like luck.

When North put down the dummy, he remarked, "I have all my bids." South might have replied, "At least you made all your bids, but you did not have them."

North's two spade raise was correct but it was also a minimum raise and he should have signed off from then on.

South saw all this but his attention was concentrated on

finding the best way to bring the slam home. There was no way to avoid the loss of a club trick so he had to be lucky in both spades and hearts.

After South won with the diamond ace he led dummy's jack of spades. East played low and West dropped the 10. From then on it was just a matter of mopping up. South repeated the spade finesse, drew trumps, cashed one high heart just in case there might be a singleton queen and eventually took the heart finesse to make his contract.

A spectator asked, "Didn't you take the wrong percentage play when you led the jack of spades instead of a low one? Suppose East had held a singleton king?"

South replied, "In that case I would have thrown the contract out the window. As the cards actually lay, the low spade lead would have been fatal. I would have had to go back to dummy for a second spade finesse and would have been unable to get back again for the heart finesse. I was lucky to find the cards as they were but I had decided that West was more likely to hold a singleton spade than East. Of course, if the singleton spade had been the king, I could not have made my contract but the singleton spade turned out to be the 10.

Q—The bidding has been:

West North East South
Pass 1♥ Pass 1♥
Pass 3♥ Pass ?
You, South, hold:
▲ A K Q J 10 9 8 7 6 5 4 3 2
▲ A K Q J 10 9 8 7 6 5 4 3 2
▲ A K Q J 10 9 8 7 6 5 4 3 2
▲ A K Q J 10 9 8 7 6 5 4 3 2

—Just bid four no-trump. If your partner has two aces you want to be in a slam.

TODAY'S QUESTION
You bid four no-trump and your partner bids five spades to show three aces. What do you do now?

Answer: Revoke.

Nixon Woos State Votes Wednesday

NEW YORK (AP) — Former Vice President Richard M. Nixon will fly to Michigan Wednesday in an attempt to win that state's 46 convention votes for the Republican presidential nomination at Miami in August.

Currently the GOP delegates are pledged to Gov. George Romney as a favorite son candidate of the first roll call.

Mr. Nixon's scheduled meeting with Michigan delegates at a hotel in Detroit will be his last in the state before the roll call.

As the Twig Is Bent—

Some Do And Some Don't...

Drugs Not Issue On U-M's Campus

This article was written by Steve Anzalone, a sophomore political science student at the University of Michigan, where he is assistant night editor and a contributor to the editorial page of the Michigan Daily. The son of Mr. and Mrs. Jerry Anzalone, 606 S. 17th St., he is employed this summer by the Fair Store and is keeping his hand in journalism by contributing this series to the Escanaba Daily Press.

On a warm day the University of Michigan's Diag looks like Hyde Park in London on a Sunday afternoon. On the grass and sidewalks of this plot of land at the very center of campus, one will find just about anything. Some students will be talking or reading. Others may be playing a guitar or dissecting a cat.

The heterogeneous mixture of students who throng to the Diag is a very good cross-section of the diverse university population, for at Michigan there are all kinds of people. There are per se sorority girls, more casually-dressed hippies, and many in-betweeners.

And quite surprisingly, everyone gets along. The university maintains no police force. In fact, the only Ann Arbor policemen that students usually see are those writing parking tickets. But even though so many different ways of life are thrown next to each other, a campus police force is not necessary.

One reason for everyone getting along together on a very crowded campus is a special feeling of tolerance. Whether he spends his time in a frat house or at a coffee house, a student intolerant of another's views will find himself out-of-place at the university.

Perhaps the cosmopolitanism of the student body is responsible for the nonchalance which students view the behavior of their classmates. Students just do not get excited about the behavior that makes interesting copy for magazines.

"Drugs" and Students
For instance, the use of "drugs" does not exist as an issue on campus. Simply, some students use them and others do not. Usage is in no way considered obligatory. The attitude seems to be—if a person wants to smoke marijuana, let him smoke it. If he does not, he is not endangering his social standing.

The "drug" issue is really not an issue at all because usage usually is limited to marijuana. Despite all the commotion, LSD never came into wide use. And anyone who still feels that marijuana necessarily leads to more deadly drugs like heroine will have a difficult time reconciling his notion with actual university "drug" use.

But the question that bothers most people is how many students do smoke pot? For obvious reasons, a count of users would be impossible. Some observers will guess that 40 per cent of the students smoke pot at one time or the other. But others say that the figure is only 10 per cent.

What can safely be said, though, is that the use of marijuana is fairly widespread. It does not grow out in front of

Steve Anzalone

Angell Hall, but it is not difficult to obtain. And no one will deny that its use is limited to students living off-campus. Although recent publicity has made a big thing about "drugs," it does not exist as a problem for most students. Certainly it is doubtful if anyone is ever intimidated into using "drugs" against his will. Most students are content to leave the decision, if one is ever made, to the individual.

Changing Morality
The same can be said for another big campus "problem"—the new immorality. Students are just not faced with an epidemic immorality as an issue. What normally concerns a student is his own behavior.

On the contrary, students get along well among themselves. A student learning only tolerance from his college experience will learn a great deal. And after the smoke has cleared from the crises on many campuses, here may be the answer for man to be able to live with man everywhere else.

By NOEL GROVE
WASHINGTON—(N E A)—Sen. Eugene McCarthy said he would not settle for the vice presidency and that if he wins the nomination he would be more concerned about selecting a secretary of state than a vice president.

Gov. Ronald Reagan said: "I am not seeking, am not available for and will not accept the vice presidential nomination, regardless of whom the nominee for president might be."

The No. 2 spot seems to have hit a new low in popularity. Candidates and non-candidates alike might be urged to look at history to see just how much potential the vice presidency really holds.

Of 37 vice presidents before Hubert Humphrey, 15 ultimately sought the nomination and, of those, 11 actually ran for the presidency, eight on major party tickets, and all but Richard Nixon won.

Even among those who were never seriously considered for the nomination, many had interesting careers. John Breckinridge (VP under Buchanan) for example, was elected to the U. S. Senate while still vice president, although he was later expelled for supporting the Confederacy. In the meantime, however, while a senator-elect and about to retire as vice president, he ran for the presidency and carried 11 states, but was defeated.

Not many students can see the stereotypes that work well for campus exposés.

Not too long ago, a great deal of alarm arose when the University adopted new conduct policies. The new policies included abolition of hours for all freshmen and sophomore women with their parents' consent. Also included was the extension to each housing unit of the right to make its own visitation rules concerning members of the opposite sex.

So, in most cases, women can come in any time they want and men can bring them to their dormitory rooms almost any time of the day.

But the new policies did not touch off any widespread promiscuity that turned the campus into a modern-day Sodom. Now, most students do not even think twice about the fact that women can visit in men's rooms.

The University of Michigan, then, like many other modern college campuses provides the necessary atmosphere for a wide variety of individuals to live together peacefully. If their is strife on today's campus, very rarely is student pitted against student.

On the contrary, students get along well among themselves. A student learning only tolerance from his college experience will learn a great deal. And after the smoke has cleared from the crises on many campuses, here may be the answer for man to be able to live with man everywhere else.

On the contrary, students get along well among themselves. A student learning only tolerance from his college experience will learn a great deal. And after the smoke has cleared from the crises on many campuses, here may be the answer for man to be able to live with man everywhere else.

Another VP, John C. Calhoun, had the unusual distinction of serving as vice president under two successive presidents who were political opponents — John Quincy Adams from 1825 to 1829, and then Andrew Jackson.

Today's vice presidential possibilities might even be cheered by knowing that at least two No. 2s were remembered for memorable phrases:

John Adams, our first vice president, said of his office, "In this I am nothing, but I may be everything."

And it was Thomas R. Marshall, Wilson's vice president, who said those immortal words, "What this country really needs is a good five cent cigar."

Leaders of the Poor People's Campaign in Washington still claim they'll stick around until they get "results" from Congress and cabinet members for the poor people of America.

"We'll follow them wherever they go, to get what is needed," said Rev. Ralph David Abernathy, SCLC president and leader of the campaign.

"If nothing happens here," he said, with a malicious grin, "we may even go to Florida (to the Republican National Convention) and get ourselves a nice tan."

Letters

Contributions are welcome. They cannot be over 400 words and must be signed and dated. Letters are subject to editing and may be condensed for clarity.

SLACKS

I think it is a dirty shame, that a little city like Manistique has to have people that can't resist taking things that don't belong to them. I went to the Laundry Mat June 16, did my washing and had a pair of orange and a pair of green slacks and a blue slacks suit, which I put on hangers and hung on the coat rack. When I left at a quarter of 6 p. m. I forgot to take them. When I got home I knew what I had done, so I went right back and they were gone.

There were only five people there at the time I was and I would know them all when I see them again, and these kind of slacks you can't buy in Manistique, they came from Ohio.

So if your conscience bothers you, put them back.

Mrs. Belle Jensen
Cottage Grove Motel
Manistique

People, Events Of Yesteryears

From the files of the Escanaba Daily Press

35 Years Ago

Mr. and Mrs. Otto Knoeck, Mr. and Mrs. Joseph LeHeureux and Mr. and Mrs. Joseph Fuller were married 35 years ago. All three couples celebrated their silver wedding anniversary on the same day and in their three adjoining homes.

50 Years Ago

Miss Mildred K. Glenn, daughter of Rev. and Mrs. Arthur A. Glenn of Escanaba became the bride of Corporal Alfred J. Arvey of Perkins. Miss Glenn wore an unusual blue aqua floor length wedding gown.

50 Years Ago

The building of the stone flag to be constructed at Ludington Park was undertaken. Superintendent F. E. King of the public schools is in charge of the erection, and sufficient stone of the proper size was brought in by the children of the area.

Six men from Delta County

were called by the draft board for the fields of mechanics. The six men are to be sent to the engineering department of the Michigan Agricultural college for a period of six weeks of training as auto mechanics and helpers.

The Escanaba Daily Press

has 96 per cent coverage in the City of Escanaba, 84 per cent in the City of Gladstone, 80 per cent in the City of Manistique and 83 per cent throughout Delta County. The Daily Press is a welcome visitor in 10,460 homes daily in a five-county Central Upper Peninsula area. Smart advertisers use the Escanaba Daily Press.

Ann Landers

Computer Flubs At Matchmaking Again

Dear Ann Landers: Recently a letter appeared in your column criticizing inquisitive bystanders who seemingly delight in observing the tragedies of others. I wonder if such people are any worse than the photographers and cameramen for the news media who are always elbowing up front at the scene of a horrible disaster?

A case in point is the salt mine tragedy in Louisiana. I felt like an intruder as I watched TV that evening. The camera panned the grief-stricken families who were anxiously awaiting word of their loved ones. When the heart-breaking news finally reached them the camera was right there to catch the agonizing cries, the weeping and moaning, the uncontrolled sobs of the bereaved.

Recently our newspaper featured a picture of people craning their necks to view the results of a horrible automobile accident. The caption implied "morbid curiosity," yet the same paper carried large and gruesome pictures of the accident.

Was the editor jealous because some people were able to see the wreck in person before consulting the newspaper? Can you clarify this issue? — ROCHESTER FAN

Dear Rochester: Newspaper pictures of an accident are one thing. TV close-ups of a grief-stricken family are something else.

The sight of twisted steel and mangled bodies can serve as a deterrent to reckless driving and excessive speed. In fact, auto safety campaigns have featured displays of such pictures. But grief is a highly personal thing. When President Kennedy was buried, the TV networks honored an agreement to respect the privacy of the family. The entire world appreciated this display of grace and good taste. I wish TV would display the same consideration for ordinary every-day citizens.

Dear Ann Landers: From time to time people have written to ask your opinion of computer matchmaking. You have stated that you are against computer matching on the grounds that selecting a mate should be the original "Do-It-Yourself" project.

I wonder if you saw the wire

service story out of London which reported that Walter Davis, 33, divorced his wife and decided he would try for another mate with the help of a computer.

Mr. Davis put his requirements for a wife on the questionnaire, told about himself, and sat back to await the results while the computer ran through 30,000 prospects. The computer came up with four possibilities. At the head of the list was Walter's former wife Barbara who had filed a similar form with the same mate-selecting computer.

Funn—e—e—e—e—e — DAILY READER

Dear Reader: It's more than funn—e—e—e—e. It demonstrates the major flaw in the computer selection system. While Miss A. and Mr. Z. might look like ideal mates on paper, they could be totally incompatible for reasons the machine could never calculate. And this is precisely what I've been saying. Thanks for giving me the opportunity to say it again.

How far should a teen-age couple go? Can necking be safe? When does it become too hot to handle? Send for Ann Landers' booklet, "Necking And Petting — What Are The Limits?" Mail your request to Ann Landers in care of your newspaper enclosing 50c in coin and a long, stamped, self-addressed envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a self-addressed, stamped envelope.

BARBS

By PHIL PASTORET
June is bustin' out all over, and the doc says she should go on a diet.

We know a gal who is looking for something old for her wedding day—and she says she must have a lot of money.

If ants are so industrious, why do you always find them at picnics?

Most politicians are frustrated big-toppers — they never joined the circus, but can't resist throwing their hats in the ring.

Economic Development Redistricting Underway

Organization of the Western U. P. Economic Development District was accomplished at the first meeting of representatives of county Overall Economic Development and Planning Committees at Ewen recently, George Rusch of UPCA, coordinator of EDD's for the U.P., reports.

This is the second of the three multi-county districts planned for the U. P. that have now been launched.

Representing the various county OEDP committees were their officers as follows: Houghton County — Rev. Louis Cappel, chairman; Herman LaBonte, vice chairman; Pete Koskela, secretary; Dr. Herford Garland, treasurer; Ontonagon County — Donald Pattison, treasurer; Baraga County — James Schutte, vice chairman; Vern Marquardt, secretary; Ted Kubit, treasurer; Gogebic County — Dave J. Lindquist, vice chairman; D. J. Tremaine, secretary; S. J. Violette, treasurer; and Joe McKeivitt, alternate for Jim Westeen, chairman.

First item in organizing the district was election of officers. Father Cappel, Houghton County, was elected chairman; Douglas Tremaine, Gogebic County, vice chairman; Peter Koskela, Houghton County, secretary; and Donald Pattison, Ontonagon County, treasurer.

The organization agreed to set up the Western U. P. EDD on a basis of equal representation and equal financial participation for each county. The governing board will be composed of five representatives from each county's OEDP committee, including at least three county OEDP officers from each. It was agreed that seven members shall constitute the executive committee, to be elected by the governing board. The meeting approved a proposed budget and applied to EDA for funding grants. These were submitted to Gerald Kelly of EDA for transmission to Washington.

The Western District, composed of Houghton, Baraga, Ontonagon, Gogebic, Iron and Keweenaw counties, has been going through procedures of county Overall Economic Development Planning (OEDP) Committee organization for the two months. These county committees were completed and invitations extended to all officers for this district meeting on June 3. This timing permitted formation of the Western U. P. Economic Development District in time to submit funding proposals to EDA for consideration this fiscal year.

The Eastern District, composed of Chippewa, Mackinac and Luce counties, is completely organized and operating. The district submitted a proposal to the Economic Development Administration (EDA) for administrative funds on March 23.

These grant funds are expected in June.

Presently, county OEDP committees are being reorganized in the Central District, composed of Menominee, Delta, Schoolcraft, Dickinson, Marquette and Alger counties, which are in various stages of completion. UPCA has until Oct. 1 to complete the organization of the districts under its grant from the EDA. Rusch said that he expects all three districts to be functioning in September.

These county OEDP committees are the backbone of a new, coordinated, nationwide program to establish multi-county economic development districts. Prime objectives are to help solve the job and income problems in areas of high unemployment or low family income. "These county OEDP committees are the local 'grass roots' representation of the major economic, governing, civic and social interests of each county... and are reflected in the parallel structure of the district organization," said Rusch. "They include representatives of city, village and county governments, industry and labor, business and finance, education, major resources, the minority groups and the unemployed."

ANTONE E. Cavadeas Jr., 22, son of Mr. and Mrs. Anton Cavadeas Sr. of Wilson, graduated June 8 from Michigan Technological University, Houghton, receiving a Bachelor of Science degree in Mechanical Engineering. He is affiliated with Chi Rho social fraternity and Pi Tau Sigma Honor Fraternity of Mechanical Engineers. He has accepted employment with the Goodyear Atomic Corporation, Piketon, Ohio. Cavadeas was salutatorian of the 1964 Bark River-Harris High School graduation class.

Family Welfare Plan Interest Is Widespread

LANSING (AP) — Michigan's unique "family to family" welfare plan has drawn interest from as far away as Turkey and Australia, Lt. Gov. William Milliken said Monday.

Milliken said requests for information about the year-old plan have been received from California, New York, Ohio, Illinois, Wisconsin, Minnesota, Utah, Maryland and Washington, D.C. as well as from the two foreign nations.

The plan, developed last year by Milliken and Bernard Houston, director of the state social services department, involves matching welfare families with self-supporting families, who assist with problems involving such things as jobs, housing and child care.

Milliken said 156 sets of families are now involved in the Michigan program, in Ingham, Kalamazoo, St. Joseph and Wayne counties. He added Saginaw, Calhoun, Berrien and Wexford counties are planning similar programs.

Fire Destroys Capri Theater At Grand Rapids

GRAND RAPIDS (AP) — Floyd Bloss, a theater chain owner from Hastings, estimated his loss at \$40,000 in a fire Monday which destroyed his Capri Theater in Grand Rapids, a movie house specializing in so-called adult films. No injuries were reported as flames spread to two adjoining restaurants with apartments on the second floor. Bloss, faces trial in Grand Rapids for showing an allegedly obscene film at the Capri.

Contract Signed

PETOSKEY (AP) — The Otsego County Road Commission has signed a new contract with the American Federation of Employees, Local 1534. Hourly rated road commission employees are to receive an increase of 45 cents an hour over three years, plus fringe benefits.

If I switch from oil heat to gas, I can heat more modern. Right? Wrong.

Oil and gas are equally modern. Their efficiency is rated equal by the Public Housing Administration. Switching fuels won't make your heat more modern. Switching oil heat service and equipment will. Change to new Standard Oil Hot Line Service. We give modern service. And our AMOCO Home Comfort Equipment is as modern as that offered by other fuels, or more so. Why waste hundreds of dollars converting? Think of all you'd rather do with the money. Get more facts. Call Hot Line. It can save you plenty.

Don't buy the "gas line" until you call Hot Line.

You expect more from Standard and you get it.*

Harnischfeger Offer Rejected

Local 632 Spurns Advice Of Leaders

Harnischfeger Local 632 of the United Auto Workers Union voted almost unanimously at a meeting of nearly 900 of its members on Monday night in Escanaba Area Junior High School Auditorium to reject the latest offer of Harnischfeger Corp., for a three-year working agreement to replace the one that expired on April 15.

Clevenger Is Back At Sault

Former Congressman Ray Clevenger has cleaned out his desk at the Great Lakes Basin Commission office in Ann Arbor and returned to his law office in Sault Ste. Marie.

Clevenger served as the first chairman of the commission since it began in April, 1967. In his letter of resignation to President Johnson, Clevenger wrote:

"The events of the past months have compelled all of us to evaluate our roles in government and public service. Your decision not to seek reelection so that you might better bring peace to our world was but one act witnessing the urgent need to remove self-interest from government, politics, and the solutions to our problems. The deaths of the Rev. Martin Luther King, Jr., and Senator Robert F. Kennedy have in their stark, tragic finality forced all to look deeply at the meaning of our political processes and our involvement in them."

"Since you created the Great Lakes Basin Commission over a year ago, I've enjoyed serving as its chairman by your commission and at your pleasure. This has been a challenging, exciting and worthwhile experience. The commission has been organized, its staffing begun, and its major project of beginning a comprehensive plan for the Great Lakes has gotten well under way. Our first annual report fully describing the commission's first year is being completed and will be submitted shortly."

"I hoped to serve in this important post for many more years. Public service during the last years has been rewarding but costly, both in money and in the frequent moving of my family. But recent events have made me decide to seek reelection to Congress from the 11th District of Michigan. I must, therefore, respectfully request that you permit me to resign from my position as chairman of the Great Lakes Basin Commission."

Clevenger began his practice with Paul L. Adams and James J. Fenlon in the Sault in 1963.

WAKE UP YOUR PERISTALSIS

And Be Your Smiling Best

The muscular action of your digestive system, called peristalsis, should not slow down. If this happens, waste material can build up in the lower tract and you become irritable, uncomfortable and feel stuffed. Carter's Pills with its unique laxative formula wakes up the slowed down muscles of the lower digestive tract and stimulates peristalsis, giving temporary relief of this irritating condition. Then you will be your smiling best.

Millions of satisfied users take Carter's Pills. Why don't you, too?

Registration Notice Cornell Township

Notice is hereby given that the last date to register for the August 6, 1968 General Primary Election is Friday, July 5, 1968. I will take Registrations at my office on Friday, July 5, 1968 from 8 A.M. to 5 P.M. The fifth Friday preceding said election and on Saturday, June 29, 1968 from 8 A.M. to 5 P.M. as provided by Section 496 of the Michigan Compiled Laws of 1964 as amended.

Beverly Winkler

city's largest payroll for 1,100 employees, has been struck since April 20. The strike is in the 67th calendar day today with no further negotiations scheduled to end it.

Leaders Rebuffed

In rejecting the company's offer the union members rejected the recommendations for acceptance of their own local president, Maurice Harrison, of International Representative Ivan Brown of Iron Mountain and International Assistant Regional Director Charles Rogers of Grand Rapids, and the five members of their bargaining committee: Neil Appelgren, chairman; Dan Wellman, Richard Peterson, Lawrence La-Crosse and John Froberg.

There was reported boozing of local leaders in connection with the rejecting of the company's offer.

United Auto Workers local membership decide whether they shall vote on wage agreements or defer voting for study of the proposals and set a later day for a ratification or rejection vote.

Reject Secret Ballot

Opening Monday's meeting, the membership voted by a show of hands on a proposal to have a secret ballot on ratification or rejection of the offer. The vote was overwhelmingly for rejection of a secret ballot. Harrison, presiding, said there appeared to be "6 or 10" hands raised in support of secret balloting.

The offer was detailed by Ivan Brown for the membership and he recommended its acceptance. Charles Rogers said that he felt the offer was a fair one.

Harrison reported today that the offer would amount to an across-the-board hourly wage increase for the first year of the contract, and 6 cents increments in the second year and 6 cents more in the third year. There would also be fringe benefits amounting to about 34 cents an hour for the three year period.

Workers Reaction

The contract period would be April 16, 1968 (retroactively) to June 1, 1971, which would be "a couple months over three years."

Unionists said that the company figured the package offer would be \$1.40 an hour over the period of the contract with the compounding of benefits.

Work rules were changed some and clarified in the proposed agreement, said Harrison, but "our people weren't worried

too much about this. "They worried about their take-home pay," he said. "They worried that they might not be able to meet the (work) standards."

One Hand Raised

This was a big factor in their rejection of the offer, he believes. "If they had enough money (offer) on the base (pay) rate they wouldn't worry about incentives. They worried about take home paychecks that they could live on."

"I could only see one hand raised on the vote to reject the offer. Someone said that there were more, but I couldn't see them."

Henry Harnischfeger, president of the company, announced before the last round of negotiations that the company's offer would cost it more than \$2 million in increased wages and fringes and that such an added cost couldn't be covered by product price raises in the face of the firm's competition and would have to come in part from increased productive efforts.

Incentive Pay

Harnischfeger has used the incentive pay system since it opened its first plant in Escanaba 20 years ago. It intends to retain the incentive system, Henry Harnischfeger said, because its manufacture is not like that in an automobile factory or paper mill where production pace can be built into the plant machinery.

The company rates a job at 100 per cent for what it regards as normal production and offers incentive pay for production over that rating. It says skilled workers should earn as much as 130 per cent and that some go as high as 160 per cent. Lack of skills or other factors cause some to earn less than 100 per cent.

What Next?

In this situation the incentive pay factor in the agreement became the crucial one and the one which caused the rejection.

There is no further negotiating meeting set up between company and union, said Harrison. "We (officers) will have to get together with the bargaining committee and see what the people feel they need so that we can get back to work. I hope we make some progress in this area."

Members were given a mimeographed sheet of "Highlights of Contract Negotiations" at the Monday meeting. It estimated the worth of the package at 34c an hour in 1968, 15c in 1969 and 16c in 1970 for a total of 65c.

MRS. LESTER WALCUTT stands beside the centerpiece of the head table decorations at the reception held Sunday in Stephenson High School gymnasium to honor the Walcutts on his retirement after 22 years as Menominee County 4-H Club agent. The head table runner extended from the Menominee County Courthouse, pictured, to the Walcutt farm at Daggett, with landmarks all the way. The court house was made of cones by Mrs. Mae Shuster of Hayward Bay. (Daily Press Photo)

Bark River Lions Meet

Lion Wesley Palmgren was appointed taitwister at the Monday evening meeting of the Bark River Lions Club held at the Bark River Cafe.

Convention reports were given by Lions Joseph Poivin and Edward Meyers. Subjects covered were: Water pollution, presented by Lion Miron; Dr. L. Shouldice's talk on Russia; "Leader Dog Finances," presented by Lion Pockington, executive director of Leader Dog School; and the selection of Marquette as the convention city for next year. 1969 will mark the 50th charter anniversary.

An invitation has been extended to the club by President R. Rinehart of Bay de Noc Community College to co-sponsor a joint meeting with other service clubs in the area, to hear an outstanding government leader describe the prospects of cooperation between the Upper Peninsula, the Lower Peninsula and the U.S. Government. Five members will attend.

The club will make a donation to the Rheume-Knauf American Legion Post toward the purchase of fireworks for the July 4th celebration. Lion Wesley Palmgren was appointed chairman of a committee to prepare a float for participation in the parade.

Peter LaVigne was the guest of Lion Donald Crawford at the meeting.

The Romans used lead to make pipes for their huge water supply systems as early as the days of the Caesars.

Events

Golden Age Club

The Golden Age Club will meet at 7:30 p. m. Wednesday at Club 314 with cards, lunch and dancing. The annual picnic will be held July 7 at Pioneer Trail Park (south side).

Gladstone Commission Adopts 68-69 Budget

GLADSTONE — The estimated budget of \$818,380 to operate the City of Gladstone for the fiscal year 1968-69 was approved Monday night by the City Commission.

The figure represents an increase in spending of some \$70,350 over last year's budget of \$748,030.

City Manager H. J. Henrikson attributed the increase to greater operating costs, including a 25 cent per hour salary raise to city employees, and higher costs for materials.

Despite the larger anticipated expense, the city tax rate will remain at 14 mills.

Henrikson also told the commission that the city's bonding attorneys have advised not to attempt to place the bond issue for the proposed water filtration plant on the Aug. 6 primary ballot.

The firm said that preliminary work on the proposal could not be completed in time to file the ballot question the required 49 days before the election, Henrikson reported.

A decision on whether or not to place the question on the November general election ballot or to hold a special election will be discussed at a special meeting of the commission to be scheduled later this week.

To Set Proposals

The specific proposals for the election — including the bond

issue, a referendum on the proposed city charter, and a question on increasing the present charter's limitation on city borrowing — also will be considered.

Total estimated cost of the proposed filtration plant is \$800,000.

In other business, the Commission approved the petition for curbing and paving 15th St. from Minnesota to Minneapolis Ave. at a total cost of \$11,137.

Rezoning of the northeast corner of Wisconsin Ave. and 9th St. from Class A residential to Class B residential was approved to allow construction of an apartment building.

A fireman's training program beginning July 3 also was approved, as was an invoice from Northern Michigan Engineers, Inc., Escanaba for establishing grades in the east part of the city.

Estimated cost for installing storm sewers and streets construction on N. 9th St. from the railroad tracks to 3rd Ave. was \$18,000. This would include gutter strips and catch basins.

Mr. and Mrs. Frank Fleck, representing merchants in the area, requested a cost figure on installation of sanitary sewers at the same time. The city manager was asked to obtain cost estimates for a public hearing in 30 days.

The Commission approved a

comprehensive Blue Cross-Blue Shield insurance policy to replace the present policy.

Road To Be Graded

Henrikson said work on installing curbing on Michigan Ave. and 5th St. would begin today and that about 18 blocks of work remaining on the schedule could be completed this year.

On request of Commissioner Ray Norton, the road along the bluff intersecting M-35 will be graded and gravelled and street lights installed as soon as possible. About 10 people live on the road, which will be known as 24th St. The road is about one and a half miles long.

The Commission also approved purchase of fireworks for the July 4 celebration and approved attendance of Mayor Delbert Nelson and Hendrikson at the Mackinac Bridge celebration Friday.

The cardinal is the most popular of all the official state birds in the United States, according to the Encyclopaedia Britannica.

Harnischfeger Offer Rejected

Local 632 Spurns Advice Of Leaders

Harnischfeger Local 632 of the United Auto Workers Union voted almost unanimously at a meeting of nearly 900 of its more than 900 members in Escanaba Area Junior High School Oliver Auditorium Monday afternoon to reject the latest offer of Harnischfeger Corp., for a three-year working agreement to replace the one that expired on April 15.

Clevenger Is Back At Sault

Former Congressman Ray Clevenger has cleaned out his desk at the Great Lakes Basin Commission office in Ann Arbor and returned to his law office in Sault Ste. Marie. Clevenger served as the first chairman of the commission since it began in April, 1967.

In his letter of resignation to President Johnson, Clevenger wrote: "The events of the past months have compelled all of us to evaluate our roles in government and public service. Your decision not to seek reelection so that you might better bring peace to our world was but one act witnessing the urgent need to remove self-interest from government, politics, and the solutions to our problems. The deaths of the Rev. Martin Luther King, Jr., and Senator Robert F. Kennedy have in their stark, tragic finality forced all to look deeply at the meaning of our political processes and our involvement in them."

"Since you created the Great Lakes Basin Commission over a year ago, I've enjoyed serving as its chairman by your commission and at your pleasure. This has been a challenging, exciting and worthwhile experience. The commission has been organized, its staffing begun, and its major project of beginning a comprehensive plan for the Great Lakes has gotten well under way. Our first annual report fully describing the commission's first year is being completed and will be submitted shortly."

"I hoped to serve in this important post for many more years. Public service during the last years has been rewarding but costly, both in money and in the frequent moving of my family. But recent events have made me decide to seek reelection to Congress from the 11th District of Michigan. I must, therefore, respectfully request that you permit me to resign from my position as chairman of the Great Lakes Basin Commission."

Clevenger began his practice with Paul L. Adams and James J. Fenlon in the Sault in 1953.

Within Argentina's one million square miles are fertile pampas, lofty mountains, flat plains, deserts, forests and a waterfall higher than Niagara.

WAKE UP YOUR PERISTALSIS

And Be Your Smiling Best

The muscular action of your digestive system, called peristalsis, should not slow down. If this happens waste materials can build up in the lower tract and you become irregular, uncomfortable and feel stuffed. Carter's Pills with its unique laxative formula wakes up the slowed down muscles of the lower digestive tract and stimulates peristalsis, giving temporary relief of this irregularity. Then you will be your smiling best.

Millions of satisfied users take Carter's Pills. Why don't you, too?

Adv.

Registration Notice
Cornell Township

Notice is hereby given that the last date to register for the August 6, 1968 General Primary Election is Friday, July 5, 1968. I will take Registrations at my office on Friday, July 5, 1968 from 8 A.M. to 8 P.M. The fifth Friday preceding said election and on Saturday, June 29, 1968 from 8 A.M. to 5 P.M. as provided by Section 498 Act No. 116 Public Acts of 1954 as amended.

Dorothy Woodard
Township Clerk

city's largest payroll for 1,100 employees, has been struck since April 20. The strike is in the 67th calendar day today with no further negotiations scheduled to end it.

Leaders Rebuffed

In rejecting the company's offer the union members rejected the recommendations for acceptance of their own local president, Maurice Harrison, of International Representative Ivan Brown of Iron Mountain and International Assistant Regional Director Charles Rogers of Grand Rapids, and the five members of their bargaining committee: Nels Apelgren, chairman; Dan Wellman, Richard Peterson, Lawrence La-Crosse and John Proberg.

There was reported boozing of local leaders in connection with the rejecting of the company's offer.

United Auto Workers local memberships decide whether they shall vote on wage agreements or defer voting for study of the proposals and set a later day for a ratification or rejection vote.

Reject Secret Ballot

Opening Monday's meeting, the membership voted by a show of hands on a proposal to have a secret ballot on ratification or rejection of the offer. The vote was overwhelmingly for rejection of a secret ballot. Harrison, presiding, said there appeared to be "6 or 10" hands raised in support of secret balloting.

The offer was detailed by Ivan Brown for the membership and he recommended its acceptance. Charles Rogers said that he felt the offer was a fair one.

Harrison reported today that the offer would amount to an across-the-board hourly wage increase for the first year of the contract, and 6 cents increments in the second year and 6 cents more in the third year. There would also be fringe benefits amounting to about 34 cents an hour for the three year period.

Workers Reaction

The contract period would be April 16, 1968 (retroactively) to June 1, 1971, which would be "a couple months over three years."

Unionists said that the company figured the package offer would be \$1.40 an hour over the period of the contract with the compounding of benefits.

Work rules were changed some and clarified in the proposed agreement, said Harrison, but "our people weren't worried

too much about this.

"They worried about their take-home pay," he said. "They worried that they might not be able to meet the (work) standards."

One Hand Raised

This was a big factor in their rejection of the offer, he believes. "If they had enough money (offered) on the base (pay) rate they wouldn't worry about incentives. They worried about take home paychecks that they could live on."

"I could only see one hand raised on the vote to reject the offer. Someone said that there were more, but I couldn't see them."

Henry Harnischfeger, president of the company, announced before the last round of negotiations that the company's offer would cost it more than \$2 million in increased wages and fringes and that such an added cost couldn't be covered by product price raises in the face of the firm's competition and would have to come in part from increased productive efforts.

Incentive Pay

Harnischfeger has used the incentive pay system since it opened its first plant in Escanaba 20 years ago. It intends to retain the incentive system, Henry Harnischfeger said, because its manufacture is not like that in an automobile factory or paper mill where production pace can be built into the plant machinery.

The company rates a job at 100 per cent for what it regards as normal production and offers incentive pay for production over that rating. It says skilled workers should earn as much as 130 per cent and that some go as high as 160 per cent. Lack of skills or other factors cause some to earn less than 100 per cent.

What Next?

In this situation the incentive pay factor in the agreement became the crucial one and the one which caused the rejection.

There is no further negotiating meeting set up between company and union, said Harrison. "We (officers) will have to get together with the bargaining committee and see what the people feel they need so that we can get back to work. I hope we make some progress in this area."

Members were given a mimeographed sheet of "Highlights of Contract Negotiations" at the Monday meeting. It estimated the worth of the package at 34c an hour in 1968, 15c in 1969 and 16c in 1970 for a total of 65c.

MRS. LESTER WALCUTT stands beside the centerpiece of the head table decorations at the reception held Sunday in Stephenson High School gymnasium to honor the Walcutts on his retirement after 22 years as Menominee County 4-H Club agent. The head table runner extended from the Menominee County Courthouse, pictured, to the Walcutt farm at Daggett, with landmarks all the way. The court house was made of cones by Mrs. Mae Shuster of Hayward Bay. (Daily Press Photo)

Bark River Lions Meet

Lion Wesley Palmgren was appointed tailwaiter at the Monday evening meeting of the Bark River Lions Club held at the Bark River Cafe.

Convention reports were given by Lions Joseph Potvin and Edward Meyers. Subjects covered were: Water pollution, presented by Lion Miron; Dr. L. Shouldice's talk on Russia; "Leader Dog Finances," presented by Lion Pockington, executive director of Leader Dog School; and the selection of Marquette as the convention city for next year. 1969 will mark the 50th charter anniversary.

An invitation has been extended to the club by President R. Rinehart of Bay de Noc Community College to co-sponsor a joint meeting with other service clubs in the area, to hear an outstanding government leader describe the prospects of cooperation between the Upper Peninsula, the Lower Peninsula and the U.S. Government. Five members will attend.

The club will make a donation to the Rheuma-Knauf American Legion Post toward the purchase of fireworks for the July 4th celebration. Lion Wesley Palmgren was appointed chairman of a committee to prepare a float for participation in the parade.

Peter LaVigne was the guest of Lion Donald Crawford at the meeting.

The Romans used lead to make pipes for their huge water supply systems as early as the days of the Caesars.

Events

Golden Age Club

The Golden Age Club will meet at 7:30 p. m. Wednesday at Club 314 with cards, lunch and dancing. The annual picnic will be held July 7 at Pioneer Trail Park (south side.)

Gladstone Commission Adopts 68-69 Budget

GLADSTONE — The estimated budget of \$818,380 to operate the City of Gladstone for the fiscal year 1968-69 was approved Monday night by the City Commission.

The figure represents an increase in spending of some \$70,350 over last year's budget of \$748,030.

City Manager H. J. Henrikson attributed the increase to greater operating costs, including a 25 cent per hour salary raise to city employees, and higher costs for materials.

Despite the larger anticipated expense, the city tax rate will remain at 14 mills.

Henrikson also told the commission that the city's bonding attorneys have advised not to attempt to place the bond issue for the proposed water filtration plant on the Aug. 6 primary ballot.

The firm said that preliminary work on the proposal could not be completed in time to file the ballot question the required 49 days before the election, Henrikson reported.

A decision on whether or not to place the question on the November general election ballot or to hold a special election will be discussed at a special meeting of the commission to be scheduled later this week.

To Set Proposals

The specific proposals for the election — including the bond

issue, a referendum on the proposed city charter, and a question on increasing the present charter's limitation on city borrowing — also will be considered.

Total estimated cost of the proposed filtration plant is \$800,000.

In other business, the Commission approved the petition for curbing and paving 15th St. from Minnesota to Minneapolis Ave. at a total cost of \$11,137.

Rezoning of the northeast corner of Wisconsin Ave. and 9th St. from Class A residential to Class B residential was approved to allow construction of an apartment building.

A fireman's training program beginning July 3 also was approved, as was an invoice from Northern Michigan Engineers, Inc., Escanaba for establishing grades in the east part of the city.

Estimated cost for installing storm sewers and streets construction on N. 9th St. from the railroad tracks to 3rd Ave. was \$18,000. This would include gutter strips and catch basins.

Mr. and Mrs. Frank Fleck, representing merchants in the area, requested a cost figure on installation of sanitary sewers at the same time. The city manager was asked to obtain cost estimates for a public hearing in 30 days.

The Commission approved a

comprehensive Blue Cross-Blue Shield insurance policy to replace the present policy.

Road To Be Graded

Henrikson said work on installing curbing on Michigan Ave. and 5th St. would begin today and that about 15 blocks of work remaining on the schedule could be completed this year.

On request of Commissioner Ray Norton, the road along the bluff intersecting M-35 will be graded and gravelled and street lights installed as soon as possible. About 10 people live on the road, which will be known as 24th St. The road is about one and a half miles long.

The Commission also approved purchase of fireworks for the July 4 celebration and approved attendance of Mayor Delbert Nelson and Hendrikson at the Mackinac Bridge celebration Friday.

The cardinal is the most popular of all the official state birds in the United States, according to the Encyclopaedia Britannica.

Of 218 students listed on the second semester honor roll for Escanaba Area Public High School, juniors led all classes in the number of students included — with 61, it was announced today by Principal Robert Micensky. To be included on the honor roll a student must present a "B" average.

The junior class also accounted for 14 of the 28 students making straight "A" averages for the second half of the 1967-68 school year.

Named as honor students were:

All "A's"

Seniors — Mary Bisdee, Paula Hannemann, John Wallbridge.

Juniors — Barbara Allingham, Thomas Antonson, Mike J. Beck, Barbara Benoit, Susan Dewar, Janice Larson, Melinda Larson, Barbara McKie, Christine Olson, Jeanene Schmeling, Ann Schmidt, Bonnie Sheffer, Virginia Vader, Jack Winters.

Sophomores — Janice Pepin. Freshmen — Sue Allingham, Gary Brawley, Kathleen Corcoran, Michael Dewar, Matthew Finstrom, Judith Kallio, Jon Krohmer, Jane Schmidt, David Short, William Suriano.

"B" or Better

Seniors — Mary Anderson, Richard Anderson, Sharon Bittner, George Bonfield, Jerel Brazeau, Lynn Challier, Gayle

Cook, Helena Crandall, John Davis, Jacqueline Dittich, Linda Eastman, Cheryl Eis, Kristin Foster, Kristine Gauthier;

Lola Gerdeen, Alfred Gossan, Donna Hamilton, Kathy Hawes, Neil Hivala, James Kallio, Jean Killmar, Mary Knoll, Terry LaVallie, Susan Micensky, Nancy Mitchell, Robert Mosenfelder, Clarence Mroczkowski;

Ruth Nelson, Mark Neumeier, Lawrence Olivares, Marcia Pepin, Susan Plowman, Joe Pociask, Robert Roberts, Laurie Saxe, Janice Schmeltzer, Sue Siko, Donna Stiglitz, Betty Stoneclift, Richard Thorbjornsen, Peggy Townsend, Kenneth Turner, Louise Ward, Diane Williamson Nina Wolfe.

Juniors — Kent Anderson, Laurie Baillargeon, William Baum, Jane Bohan, Terry Brayak, Lynn Breitman, Jane Carlson, Gerald Colleogn, Irene Corcoran, Paula Couehene, Russell Dittich, Richard Eagleon, Nels Ebbesen, Janice Ferguson, Susan Fletcher;

Richard Freeman, John Gravelle, Marcia Griffith, Susan Hardies, Jan Helms, Shireen Hynes, Thomas Robert Jensen, Jack Johnson, Jay Johnson, Stephen Jurmu, Randy Kell, Kathryn Koski, James LeFleur, Carol Lambert, Dan Lee;

Diane Marrier, Kristine McDonough, Linda Meier, Linda Menard, Marsha Meyer, John Moberg, Joy Monahan, Mary Nelson, John O'Donnell, Nancy Olsen, Catherine Olson, Mavis Payment, Sheila Peterson, Karen Pultz, Diane Rose, Mark Sattlem;

Mathew Sattlem, Mary Savard, Sharon Smith, Richard Stacy, James Steinmetz, Susan Taylor, Fred Tryan, Leta Valand, David Valiquette, William VanEffen, Diane Vogt, Laurel Weiland, Arlene Willman, Glenys Williams, Kathleen Williams.

Sophomores — Nancy Arnold, Nancy E. Beck, James Berry, Jody Bisdee, Scott Bowman, Matt Brayak, Stephen Brealet, Mary Buckland, Kathy Carey; Susan Carlson, Ann Diedrich, Ann Elworth, Dale Ford, Linda Fudala, Janet Gucky, Judith Hall, Marilyn Harrison, Ann

Helmer, Linda Hivala, Debbie Judson, Fredric Jurmu;

Paul Kintziger, Lori Koster, Carol Kralovetz, Rory Mayra, Roberta Miketnac, Dave Moran, Susette Morrison, Margaret Mosenfelder, Rose Neubauer, Shirley Niemi, Sandra Pepin, Wendy Pepin, Jarel Richards, Dorothy Schaut, Paula Stacy, Judith Sundberg, Irma Woodard.

Freshmen — Janet Beck, Robert Benson, Barbara Boyle, Barbara Brown, Susan Burkard, Bryan Burak, Cathleen Carland, Steven Cerasoli, Christine DeVos, Margaret Dye, Carol Forsman;

Ellen Foster, Linda Freeman, Kevin Hendrickson, Timothy Homes, Dale Johnson, JoAnne Johnson, Susan A. Johnson, Beverly Kozar, Rosalie Mastin, Martha Meyer, Judy Miller, Daniel Moore, Donald Morreau, Dale Mroczkowski, Colleen Nelson, Dennis Ness, Patrick Ness; Susan Neubauer, Deborah O'Leary, Nancy Osen, Timothy Pearson, Janet Pierson, Dawn Premo, Myrna Rose, Susan St. Aubin, Duane Scheuren, Darryl Sheedlo, Debbie Tuyls, Alice VanAker, Carol Vertrees, Jeffery Waeghe, Mary Walbridge, Thomas Wellman, Sally Wertz, Karen Wigand.

Ladies Set Pairs To Golf Thursday

GLADSTONE

In Service

Army Pvt. Michael G. Verhamme, 20, son of Mr. and Mrs. Eugene R. Verhamme, 581 N. 16th St., Gladstone, completed a field communications crewman course at Ft. Leonard Wood, Mo. During the eight-week course, he was trained to string wire from the field to the communications center. Instruction was also given in basic electricity, switchboard installation and operation and pole climbing.

Perkins

Tenants who are staying at the Carrol Cabins are: Mr. and Mrs. Raymond C. Griffin of Carlisle, Pa. and family; Mr. and Mrs. Simon Dingler of Carrollton, Ohio and family; Mr. and Mrs. Bennie Lancaster of Scott's Hill, Tenn.

Mr. and Mrs. Levi LaVergne of Plymouth are spending their summer vacation at their home here.

Miss Gabrielle Catmeyer, Mrs. Eileen Pare, Mrs. Veronica Benson, Mrs. Mae Grosz attended the CCD work shop at Mary Grove over the weekend.

Mr. and Mrs. Clyde Hammett have returned from Milwaukee and Evanston, Ill., where they spent the weekend with friends and relatives.

Mr. and Mrs. M. LeBeebe and family of Auburn Heights visited the LeBeebe home here recently.

Cpl. and Mrs. Richard Depuydt of Iron River visited over the weekend at the Gerald Depuydt home and also visited other relatives.

City Briefs

Mrs. Harold Anderson, 1325 Wisconsin Ave., left Sunday morning for Kalamazoo where she will enroll in the School of Library Science at Western Michigan University for the summer session. She was accompanied by Mr. Anderson and sons who will return to Gladstone on Tuesday.

Plumbum is the Latin term for lead and is the source of our word plumber.

Andersons Attend NMU Conference

Mr. and Mrs. Harold Anderson and sons, Bruce and Tim, attended the Michigan Association For Student Teaching (MAST) Conference at Northern Michigan University last week. The theme of the Conference was: A New Order In Student Teaching. Teachers and administrators in attendance came from throughout Michigan and Wisconsin. Dr. Edward L. Ruman of Northern Michigan University was the chairman for the Conference.

Anderson is a member of the Regional Teacher Education Council which is affiliated with M-Step, the Multi-State Teacher Education Project. M-Step was established for the purpose of improving teacher preparation programs through group interaction. Thus far, Florida, Maryland, Michigan, South Carolina, Utah, Washington, and Virginia are participating in M-Step.

New Plan Speeds Highway Repairs

LANSING (AP) — The State Highway Commission has termed "an unqualified success" a maintenance experiment that involved closing a section of Detroit's Lodge freeway for 11 hours. Closing the two-mile section enabled workers to make repairs that ordinarily would have spread over seven weeks, the commission said. Highway director Henrik Stafeth said success of the project encouraged the state, Wayne County and city road officials to begin studies in preparation for brief closures of other sections of Detroit's freeway network for maintenance.

Rapid River

Mrs. Lillian Derocier of Florence, Wis., died on June 17. Funeral services were at St. Mary's Catholic Church in Florence. Mrs. Derocier was the former Lillian Rushford, of Rapid River. Attending from this area were Mr. and Mrs. Herb Westlund, Rock, Mrs. James Standing, Gladstone, Mr. and Mrs. Ernest Rushford, Elders Spricks and Mr. and Mrs. William Young, Rapid River.

Attend Services
Mr. and Mrs. Ed Powell, DePere, Wis., Mr. and Mrs. Carl Thunberg Jr., East Tawas, Mr. and Mrs. Ivor Pearson, Detroit, Mrs. Cy Palen and grandson, Scott Boyd, Milwaukee, attended the funeral services for Carl Thunberg. Mr. Thunberg was a former resident of Rapid River and resided in Iron Mountain for the past several years.

One-seventh of the world's population lives in India.

Reagan Given Special Guard

WASHINGTON (AP) — Gov. Ronald Reagan of California is the newest addition to the list of prospective presidential candidates receiving Secret Service protection since the assassination of Sen. Robert F. Kennedy. Although Reagan is not an announced candidate for the Republican nomination he began receiving security assistance from the Secret Service Friday.

The law was quickly enacted by Congress after the Kennedy slaying at White House request. It gives Secretary of the Treasury Henry C. Fowler and a special advisory committee the discretion to say which candidates, declared or otherwise, should be given the special protection at taxpayers' expense.

Besides Vice President Hubert H. Humphrey, who gets Secret Service coverage by virtue of his office, the contenders granted this protection since the Kennedy assassination are Sen. Eugene J. McCarthy, D-Minn., Richard M. Nixon, George C. Wallace, Gov. Nelson A. Rockefeller, and Harold Stassen.

McCusker Dies

DETROIT (AP) — Funeral services will be held Friday for Joseph McCusker, United Auto Workers international executive board member and veteran Detroit labor leader who died Monday at 64. McCusker was an active UAW leader since the late 1930s when he helped the UAW organize Ford Motor Co. labor.

Miss Gabrielle Cafmeyer, Mrs. Eileen Pare, Mrs. Veronica Benson, Mrs. Mae Gro-leau attended the CCD work shop at Mary Grove over the weekend.

Mr. and Mrs. Clyde Hammer-smith have returned from Milwaukee and Evanston, Ill., where they spent the weekend with friends and relatives.

Mr. and Mrs. M. LeBreshe and family of Auburn Heights visited the LeBresh home here recently.

Cpl. and Mrs. Richard Deputy of Iron River visited over the weekend at the Gerald Deputy home and also visited other relatives.

City Briefs

Mrs. Harold Anderson, 1325 Wisconsin Ave., left Sunday morning for Kalamazoo where she will enroll in the School of Library Science at Western Michigan University for the summer session. She was accompanied by Mr. Anderson and sons who will return to Gladstone on Tuesday.

Plumbum is the Latin term for lead and is the source of our word plumber.

Andersons Attend NMU Conference

Mr. and Mrs. Harold Anderson and sons, Bruce and Tim, attended the Michigan Association For Student Teaching (MAST) Conference at Northern Michigan University last week. The theme of the Conference was: A New Order In Student Teaching. Teachers and administrators in attendance came from throughout Michigan and Wisconsin. Dr. Edward L. Ruman of Northern Michigan University was the chairman for the Conference.

Anderson is a member of the Regional Teacher Education Council which is affiliated with M-Step, the Multi-State Teacher Education Project. M-Step was established for the purpose of improving teacher preparation programs through group interaction. Thus far, Florida, Maryland, Michigan, South Carolina, Utah, Washington, and Virginia are participating in M-Step.

New Plan Speeds Highway Repairs

LANSING (AP) — The State Highway Commission has termed "an unqualified success" a maintenance experiment that involved closing a section of Detroit's Lodge freeway for 11 hours. Closing the two-mile section enabled workers to make repairs that ordinarily would have spread over seven weeks, the commission said. Highway director Henrik Stafseth said success of the project encouraged the state, Wayne County and city road officials to begin studies in preparation for brief closures of other sections of Detroit's freeway network for maintenance.

Rapid River Obituary

Mrs. Lillian Derosier of Florence, Wis., died on June 17. Funeral services were at St. Mary's Catholic Church in Florence. Mrs. Derosier was the former Lillian Rushford, of Rapid River. Attending from this area were Mr. and Mrs. Herb Westlund, Rock, Mrs. James Standing, Gladstone, Mr. and Mrs. Ernest Rushford, Eldren Spricks and Mr. and Mrs. William Young, Rapid River.

Attend Services
Mr. and Mrs. Ed Powell, DePere, Wis., Mr. and Mrs. Carl Thunberg Jr., East Tawas, Mr. and Mrs. Ivor Pearson, Detroit, Mrs. Cy Palen and grandson, Scott Boyd, Milwaukee, attended the funeral services for Carl Thunberg. Mr. Thunberg was a former resident of Rapid River and resided in Iron Mountain for the past several years.

One-seventh of the world's population lives in India.

WORKING on both sides of the lens, actress Diane Cilento portrays a photographer in her latest English film. In real life, she is the wife of Sean Connery and is sometimes referred to as "Mrs. 007."

Reagan Given Special Guard

WASHINGTON (AP) — Gov. Ronald Reagan of California is the newest addition to the list of prospective presidential candidates receiving Secret Service protection since the assassination of Sen. Robert F. Kennedy. Although Reagan is not an announced candidate for the Republican nomination he began receiving security assistance from the Secret Service Friday.

The law was quickly enacted by Congress after the Kennedy slaying at White House request. It gives Secretary of the Treasury Henry C. Fowler and a special advisory committee the discretion to say which candidates, declared or otherwise, should be given the special protection at taxpayers' expense.

Besides Vice President Hubert H. Humphrey, who gets Secret Service coverage by virtue of his office, the contenders granted this protection since the Kennedy assassination are Sen. Eugene J. McCarthy, D-Minn., Richard M. Nixon, George C. Wallace, Gov. Nelson A. Rockefeller, and Harold Stassen.

McCusker Dies

DETROIT (AP) — Funeral services will be held Friday for Joseph McCusker, United Auto Workers international executive board member and veteran Detroit labor leader who died Monday at 64. McCusker was an active UAW leader since the late 1930s when he helped the UAW organize Ford Motor Co. labor.

Sunday Sale May Konk Blind Pigs

Stanley G. Thayer, recently appointed chairman of the Michigan Liquor Control Commission, is presiding at a meeting of the commission here which has as a lively item on its agenda the implementation of Sunday liquor sale legislation.

The Legislature has passed a county option measure and it will go to the Governor next month for expected effect without his signature. The bill permits liquor sales after 2 p.m. on Sundays in counties which permit it in licensed establishments where food and other goods and services make up half the licensee's business.

Thayer, an Ann Arbor attorney and former state senator, said "I think we'll probably have to have an attorney general's interpretation about 'goods and services' supplied on the licensed premises."

Ontario Has It
This would probably mean that most "B" hotel (covering the entire hotel for liquor sales) licensees would meet the requirements. We would have "C" licensees file an affidavit on their percentage of food, goods and service volume from their last financial statement which, under oath, would be accepted subject to the commission's review of the licensee's books, which the commission has access to at all times.

"From what I've heard so far, I would suspect that the area with large tourist business, and especially those bordering on Canada, would be apt to take immediate action. Ontario now has sale of liquor by the glass on Sunday and this is what prompted the Detroit action seeking similar permission."

"There are a number of establishments which have no interest in opening on Sunday because of the labor problem. But convention business is apt to be strong for Sunday sales."

Distribution Study
"One of the most significant results may be the reduction of so-called Sunday blind pigs—which has been almost im-

Stanley G. Thayer

for much less than it's value, but a bottle of liquor can go in to a blind pig and have its value multiplied.

Golf Course Licensees
"We have an entire riot plan which was instigated after Dr. Martin Luther King's death, both for our enforcement division and stores operation. Although we had some problems in the Detroit area after Dr. King's death we didn't lose a single bottle of liquor."

"The first things you turn off in a riot are alcoholic beverages, gasoline and weapons. We think that the best thing is to move quickly to avoid concentration of people and coordinate all actions of suppression. Our role is to close quickly."

"We have a problem of communicating with all of our licensees. We move our enforcement division in force to send out wires to close and we telephone, too."

"We have a great many establishments that would contribute a lot to the State of Michigan that are trying to get liquor licenses. Large amounts of capital could be attracted to build establishments if liquor licenses were available."

"A proposal to extend resort licenses from 10 months to 12 months has passed both Houses of the Legislature. We originally had 500 resort licenses and now we have 550. An amendment before the Governor would permit us to license all golf courses in existence for a two year period which have 2,600 yards for nine holes." (To avoid licensing of Tom Thumb courses.)

Headstart Program Begins At Powers

Monday began an entirely new experience for 18 preschool children in the Powers-Spalding area. This was the opening of the six week, Headstart Program at Powers-Spalding.

The children are bused in five days a week and the school day is from 9 a. m. to 1 p. m. Hot lunch is served and the children are taught by Mrs. August Vesser, assisted by Miss Linda Kirschner.

The objectives of Headstart are to acquaint preschoolers with the experience of getting along with other children and to try to get them adjusted to leaving home environment for a short time, similar to when they will begin kindergarten in the fall.

The program is financially financed under the Office of Economic Opportunity, Community Action Agency. Jim Bruce is the director in the Escanaba office. Carney and Hermansville each started a similar program on Monday, Carney with 15 enrolled and Hermansville with 18.

Hatchery Head In U.P. Honored

Russell Robertson, fish hatchery superintendent, Department of Conservation, Marquette, was the recipient of an award sponsored by the Great Lakes Fishery Commission at Toronto, Ontario, last week, in recognition of his outstanding skill perseverance and development of lake trout hatchery brood stock.

The first lake trout eggs were taken in 1949. Five years later a lake trout brood stock of 18 female trout produced 18,120 eggs. Since 1955 to the present time 73 million lake trout eggs were produced. Lake trout eggs were provided the U.S. Bureau of Commercial Fisheries, the States of Wisconsin, Minnesota, Colorado, Wyoming and Utah.

The U.S. Bureau of Commercial Fisheries has received 10 million eggs per year since 1964. An additional 7,764,000 lake trout eggs were crossed with the mill of the brook trout to produce splake for Michigan inland lake splake program. Robertson produced the first splake in Michigan about 10 years ago.

Robertson began employment with the Department of Conservation Fish Division as a hatchery employee at Grayling in 1927. He was promoted to hatchery superintendent at Marquette in 1943.

AMONG CANDIDATES for the Democratic nomination for County Treasurer are John Blanchette, 35, of Danforth; Donald J. Brunelle, 58, of 401 S. 15th St.; and George Minne, 61, Rte. 1, Gladstone. A total of eight persons have filed for the nomination. The primary election to determine the party candidate is scheduled Aug. 6.

'Uncle Vanya' ETV Offering Next Friday

MARQUETTE—A star-studded cast, including Laurence Olivier, Michael Redgrave and Dame Sybil Thorndike, will be seen in Chekhov's "Uncle Vanya" at 9 p. m. Friday on WNMR-TV, Northern Michigan University's educational television station.

Other featured programs this week: Andrew Jackson's fight for equal opportunity and his drive against slavery are relived at 9:30 p. m. Tuesday.

Three journalists give an assessment of politics, Vietnam, and race relations at 7:30 p. m. Wednesday.

At 8:30 p. m. Wednesday, "Northern Arts" features original compositions by Ronald Caviari, Iron Mountain native who is a member of NMU's music department faculty and Reynold Arcand, NMU senior from Negaunee who is majoring in music.

A film record of one of the greatest international scientific studies ever made of a body in space is on at 8 p. m. Thursday.

Powers-Spalding

Gun Safety Club
An organizational meeting was held on Tuesday evening at the high school gymnasium to begin a gun safety club for boys and girls age 12-19 in this area.

Leaders are Leo and Tom Labre and Gene Draz, all of Spalding and Leonard LaComber of Hermansville. Lester Walcott of Daggett and Gerald Welling of Hermansville, talked to the group on gun safety programs.

There will be four groups of 8 to 10 members and gun safety lessons will begin Tuesday, June 25, 7:30 p. m. in the high school. Persons wishing to join must attend this meeting. After completing all the scheduled lessons they will become members of the Junior Rifle Club.

John Dault, owner of Jack's Shopping Center in Powers has offered to let the group use the store basement as a rifle range. VISTA workers, Ross Daddato and Neil Everett, were instrumental in setting up this program.

Swimming Program
Dale Ayotte, 22 year old native of Hermansville, will be the life guard at the Hermansville Lake. He received instruction in Life Saving and Red Cross programs while serving in the United States Air Force.

He will be at the beach every day from 12 noon until 4 p. m. and from 8 to 9 p. m. on Tuesday and Friday evenings. Swimming lessons will be given Wednesday mornings from 9 to 11 a. m. A school bus will run from Powers on Monday at 12:30 p. m. and will return at 3:30 p. m. The Wednesday schedule is from 9 a. m. to 11 a. m.

4-H Club

The Roving Horseman 4-H Club met Monday evening at the Leo Pietech farm. Plans for a July 4th float were discussed. Pony rides will be sponsored by the Club at Memorial Park throughout the day. Lunch was served by Mrs. Pietech.

The next meeting will be Monday, July 1 at 7:30 p. m. at the Joseph Prestay farm. All members are asked to be present.

Lady Dispatcher

Mrs. Harry Schmidt, stenographer at the Department of Conservation district office in Newberry for the past 16 years, has been promoted to district radio dispatcher. Mrs. Schmidt, the mother of three daughters and two sons and the daughter of retired District Forester Bernard McTiver, Newberry, is the only woman dispatcher with the Conservation Department in Michigan.

Lotsa Rain

No street fires were reported in the Upper Peninsula in the week ending June 23.

People

Dawn Beauchamp, daughter of Mr. and Mrs. Leo Beauchamp of Wilson, has entered the Appleton City College of Cosmetology, Appleton, Wis. Before her 1968 graduation from Powers-Spalding High School, she was a member of the annual staff, Pep Club and received superior in Forensics.

John Peck, son of Mr. and Mrs. Dana R. Peck of 1720 S. E. 40th Terrace, Cape Coral, Fla., former residents of Escanaba, graduated June 6 from North Fort Myers High School, with high honors.

He was first in his class and also delivered the commencement address. John has received an appointment to the U. S. Naval Academy, Annapolis, Md. and will report there on June 26.

Dr. Alfred Gossan and Dr. William Hames will be attending the Michigan Optometric Association Convention in Miami, Fla. June 26-29. The convention will be held at the Fountain Bleu Hotel.

Buy and sell the classified way.

Two Face Court After Accidents

Judy Dieter, Rte. 1, Gladstone, and Reynold Vanlerbergh, 402 S. 15th St., will appear in Municipal Court today on charges of falsifying police reports, said Escanaba police.

Miss Dieter reported to police that her car had been struck by a hit-and-run driver Sunday morning. Officers charged that she was responsible for the accident, which occurred in the 100 block of N. 10th St.

Vanlerbergh was issued a ticket for failure to report a property damage accident. Police alleged that his car, which he had reported stolen early Sunday, had run down three parking meters in the 100 block of S. 8th St.

Killed In Action

WASHINGTON (AP) — One Michigan serviceman is among 37 Americans listed by the Defense Department as killed in recent action in the Vietnam war. He was Marine Pfc. Gerald L. Johnson, son of Mr. and Mrs. Mason H. Johnson of Royal Oak.

Board Postpones Election Action

The Escanaba Area Board of Education, preferring to wait until newly-elected members of the board take office, deferred action on any new attempt to raise operating millage Tuesday night.

Three new members of the Board—Kenneth West and Dr. Donald Alimanti of Escanaba and Daniel Wellman of Ford River—will take office officially July 1.

Feeling of the present board was that the new members should be given an opportunity to express their opinions on the district's financial problems before any action is taken on the possible scheduling of another millage election.

The present board has been defeated four times in requests for operating millage.

Action also was deferred on the question of reinstating the district's hot lunch program for the same reasons. The program was discontinued last fall because of financial problems.

In other action, the Board accepted the bid of Northern Insurance Agency, Escanaba, in the amount of \$7,750 for workman's compensation insurance. Northern Insurance, owned by Al Taylor of Escanaba, and Employers Mutual of Wausau, represented by R. F. Schmitt of Escanaba, submitted identical low bids. Northern Insurance was awarded the contract on a rotation basis as

Director

Richard Michaels, New York City, will direct the summer season of plays at Keweenaw Playhouse, Calumet, according to Fletcher Johnston, Playhouse executive producer. Michaels, a native of Cleveland, was raised in the theater and was a radio star at five. He has directed plays off Broadway in New York as well as in many playhouses and theaters across the country, and for Army Special Services.

Employers Mutual handled the policy for the past school year.

Floyd Cassidy, who has been supervising principal at Soo Hill and Wells schools, was named supervising principal for Webster and Washington with Don Allis named to succeed him at Soo Hill-Wells. Edward Thompson was appointed teaching principal at Cornell School.

The Board also approved a 10 per cent increase in administrative salaries, and hired six new teachers. They are Judith Haltunen, Karen Koth, Joyce Trombley and Dorothy Westback, elementary, and James Pinar and Elvora Vader for the high school.

Alger Backing Putnams' Film Of Lakeshore

The Alger County Chamber of Commerce has sponsored the making of a new VISTA Film entitled "Exploring the New Pictured Rocks National Lakeshore", designed to attract tourists and travels not only to the Pictured Rocks area but to all parts of the beautiful Upper Peninsula," stated Lloyd Steinhoff, Chamber President.

This new film makes use of a new development which combines the sharpness of still pictures with the attention getting value of movies. It runs continuously and requires no operator.

The new film is now being shown at travel shows, conventions and luncheon club meetings.

The film was produced by the photographer-writer team of Harold and Beatrice Putnam in cooperation with Harold Dunkle, a director of the Alger Chamber of Commerce. The Putnams are creators of the travel guide "North to Adventure in Michigan's Upper Peninsula" and travel guides and films of other areas as well.

In Service

John M. Bergerson, 30, son of Harold Bergerson, 612 N. 19th St., Escanaba, was promoted to Army specialist four in Vietnam where he is serving with the 196th Infantry Brigade, Spec. Bergerson, assigned to Company A, 4th Battalion of the brigade's 31st Infantry near Chu Lai, entered the Army in Jan. 1967, completed basic training at Ft. Gordon, Ga., and was last stationed at Ft. Jackson, S. C., before arriving in Vietnam last June. He has received the Combat Infantryman Badge. He is a 1966 graduate of Escanaba High School and was employed by Hamilton Manufacturing Company, Two Rivers, Wis., before entering the Army. His mother, Mrs. Milton Lindblad, lives at 217 N. 16th St.

Army Pvt. Roger T. Collins, 18, son of Mr. and Mrs. Roland L. Collins, 1012 Washington Ave., Escanaba, completed a field communications crewman course at Ft. Leonard Wood, Mo. During the eight-week course, he was trained to string wire from the field to the communications center. Instruction was also given in basic electricity, switchboard installation and operation and pole climbing.

Sunday Sale May Konk Blind Pigs

Stanley G. Thayer, recently reappointed chairman of the Michigan Liquor Control Commission, is presiding at a meeting of the commission here which has as a lively item on its agenda the implementation of Sunday liquor sale legislation.

The Legislature has passed a county option measure and it will go to the Governor next month for expected effect without his signature. The bill permits liquor sales after 2 p.m. on Sundays in counties which permit it in licensed establishments where food and other goods and services make up half the licensee's business.

Thayer, an Ann Arbor attorney and former state senator, said "I think we'll probably have to have an attorney general's interpretation about 'goods and services' supplied on the licensed premises."

Ontario Has It
"This would probably mean that most 'B' hotel (covering the entire hotel for liquor sales) licensees would meet the requirements. We would have 'C' licensees file an affidavit on their percentage of food, goods and service volume from their last financial statement which, under oath, would be accepted subject to the commission's review of the licensee's books, which the commission has access to at all times."

"From what I've heard so far, I would suspect that the areas with large tourist business, and especially those bordering on Canada, would be apt to take immediate action. Ontario now has sale of liquor by the glass on Sunday and this is what prompted the Detroit action seeking similar permission."

"There are a number of establishments which have no interest in opening on Sunday because of the labor problem. But convention business is apt to be strong for Sunday sales."

Distribution Study
"One of the most significant results may be the reduction of so-called Sunday blind pigs — which has been almost im-

Stanley G. Thayer

possible in the City of Detroit. Licensed Sunday sales should tend to eliminate some of these profits. It's illegal, of course, but you will recall that the riots in Detroit last summer started with a raid on a blind pig."

"I think one of the most severe problems is in Stores Manager John Bennett's area of distribution. It has had no expanded capacity since 1954. In fact it has a contracted capacity because through better material handling we eliminated floor space which we don't have today."

"We have an appropriation just passed for a \$100,000 study of the distribution system which we hope will create a more efficient and better system. I think it will require additional warehousing in the Lansing Area and a reconsideration of our entire storage locations."

Population Changes
"The storage system which we have grew up before we had expressways and there have been vast population changes affecting store distribution capacity. We had 128 boxcars on the track at one time awaiting unloading at the Detroit warehouse and we had no space for it until stock was moved out."

"The only alternative is temporary space, but this is costly and the security problems are terrific."

Of per capita liquor consumption Thayer said: "New Hampshire has the largest per capita consumption of liquor of all the states, not because it is the heaviest drinking, but because it sells to neighboring Vermont, Massachusetts and Maine, because its prices are lower. A lot of Washington liquor goes into Pennsylvania."

Price Is Factor
"Michigan's per capita consumption of liquor is substantial, but the state is not on top. Illinois is an open state with a great deal of price war in Chicago and quite a bit of Illinois liquor filters into Michigan because of the price differential. Ohio takes a bit higher tax off its liquor, but Michigan is near the top. We could raise the price, but it accentuates over-the-border sales, so we would be losing money in the long run."

"We lost only one state store stock in the riots, Detroit, a stock worth \$55,000 wholesale. Stocks were also lost by 152 other licensees who were put out of business in the Detroit riots. Liquor stocks are one of the first things that rioters make for. Liquor is a very marketable item, even if stolen. Any other product — a TV set for instance — has to be sold

for much less than its value, but a bottle of liquor can go in to a blind pig and have its value multiplied."

Golf Course Licenses
"We have an entire riot plan which was instigated after Dr. Martin Luther King's death, both for our enforcement division and stores operation. Although we had some problems in the Detroit area after Dr. King's death we didn't lose a single bottle of liquor."

"The first things you turn off in a riot are alcoholic beverages, gasoline and weapons. We think that the best thing is to move quickly to avoid concentration of people and coordinate all actions of suppression. Our role is to close quickly."

"We have a problem of communicating with all of our licensees. We move our enforcement division in force to send out wires to close and we telephone, too."

"We have a great many establishments that would contribute a lot to the State of Michigan that are trying to get liquor licenses. Large amounts of capital could be attracted to build establishments if liquor licenses were available."

"A proposal to extend resort licenses from 10 months to 12 months has passed both Houses of the Legislature. We originally had 500 resort licenses and now we have 550. An amendment before the Governor would permit us to license all golf courses in existence for a two year period which have 2,600 yards for nine holes." (To avoid licensing of Tom Thumb courses.)

Headstart Program Begins At Powers

Monday began an entirely new experience for 18 preschool children in the Powers-Spalding area. This was the opening of the six week, Headstart Program at Powers-Spalding.

The children are bused in five days a week and the school day is from 9 a. m. to 1 p. m. Hot lunch is served and the children are taught by Mrs. August Veaser, assisted by Miss Linda Kirschner.

The objectives of Headstart are to acquaint preschoolers with the experience of getting along with other children and to try to get them adjusted to leaving home environment for a short time, similar to when they will begin kindergarten in the fall.

The program is federally financed under the Office of Economic Opportunity, Community Action Agency. Jim Bruce is the director in the Escanaba office. Carney and Hermansville each started a similar program on Monday, Carney with 15 enrolled and Hermansville with 18.

Hatchery Head In U.P. Honored

Russell Robertson, fish hatchery superintendent, Department of Conservation, Marquette, was the recipient of an award sponsored by the Great Lakes Fishery Commission at Toronto, Ontario, last week, in recognition of his outstanding skill perseverance and development of lake trout hatchery brood stock.

The first lake trout eggs were taken in 1949. Five years later a lake trout brood stock of 18 female trout produced 18,120 eggs. Three journalists give an assessment of politics, Vietnam, and race relations at 7:30 p. m. Wednesday.

At 8:30 p. m. Wednesday, "Northern Arts" features original compositions by Ronald Caviari, Iron Mountain native who is a member of NMMU's music department faculty and Reynold Arcand, NMMU senior from Negaunee who is majoring in music.

A film record of one of the greatest international scientific studies ever made of a body in space is on at 8 p. m. Thursday.

Powers-Spalding Gun Safety Club

An organizational meeting was held on Tuesday evening at the high school gymnasium to begin a gun safety club for boys and girls age 12-19 in this area.

Leaders are Leo and Tom Labre and Gene Draz, all of Spalding and Leonard La-Coursier of Hermansville. Lester Walcutt of Daggett and Gerald Welling of Hermansville, talked to the group on gun safety programs.

There will be four groups of 8 to 10 members and gun safety lessons will begin Tuesday, June 25, 7:30 p. m. in the high school. Persons wishing to join must attend this meeting. After completing all the scheduled lessons they will become members of the Junior Rifle Club.

John Dault, owner of Jack's Shopping Center in Powers has offered to let the group use the store basement as a rifle range. VISTA workers, Rose Daddato and Nell Everette, were instrumental in setting up this program.

Swimming Program

Dale Ayotte, 22 year old native of Hermansville, will be the life guard at the Hermansville Lake. He received instruction in Life Saving and Red Cross programs while serving in the United States Air Force.

He will be at the beach every day from 12 noon until 4 p. m. and from 6 to 8 p. m. on Tuesday and Friday evenings. Swimming lessons will be given Wednesday mornings from 9 to 11 a. m. A school bus will run from Powers on Monday at 12:30 p. m. and will return at 3:30 p. m. The Wednesday schedule is from 9 a. m. to 11 a. m.

4-H Club

The Roving Horseman 4-H Club met Monday evening at the Leo Pietsch farm. Plans for a July 4th float were discussed. Pony rides will be sponsored by the Club at Memorial Park throughout the day. Lunch was served by Mrs. Pietsch.

The next meeting will be Monday, July 1 at 7:30 p. m. at the Joseph Prestay farm. All members are asked to be present.

Lady Dispatcher

Mrs. Harry Schmidt, stenographer at the Department of Conservation district offices in Newberry for the past 16 years, has been promoted to district radio dispatcher. Mrs. Schmidt, the mother of three daughters and two sons and the daughter of retired District Forester Bernard McTiver, Newberry, is the only woman dispatcher with the Conservation Department in Michigan.

Lotsa Rain

No forest fires were reported in the Upper Peninsula all week ending June 22.

People

Dawn Beauchamp, daughter of Mr. and Mrs. Leo Beauchamp of Wilson, has entered the Appleton City College of Cosmetology, Appleton, Wis. Before her 1968 graduation from Powers-Spalding High School, she was a member of the annual staff, Pep Club and received superior in Forensics.

John Peck, son of Mr. and Mrs. Dana R. Peck of 1720 S. E. 40th Terrace, Cape Coral, Fla., former residents of Escanaba, graduated June 6 from North Fort Myers High School, with high honors.

He was first in his class and also delivered the commencement address. John has received an appointment to the U. S. Naval Academy, Annapolis, Md. and will report there on June 26.

Dr. Alfred Gossan and Dr. William Hemes will be attending the Michigan Optometric Association Convention in Miami, Fla. June 26-29. The convention will be held at the Fountain Bleu Hotel.

Buy and sell the classified way.

Two Face Court After Accidents

Judy Dieter, Rte. 1, Gladstone, and Reynold Vanlerberghe, 402 S. 15th St., will appear in Municipal Court today on charges of falsifying police reports, said Escanaba police.

Miss Dieter reported to police that her car had been struck by a hit-and-run driver Sunday morning. Officers charged that she was responsible for the accident, which occurred in the 100 block of N. 10th St.

Vanlerberghe was issued a ticket for failure to report a property damage accident. Police alleged that his car, which he had reported stolen early Sunday, had run down three parking meters in the 100 block of S. 8th St.

Killed In Action

WASHINGTON (AP) — One Michigan serviceman is among 37 Americans listed by the Defense Department as killed in recent action in the Vietnam war. He was Marine Pfc. Gerald L. Johnson, son of Mr. and Mrs. Mason H. Johnson of Royal Oak.

Board Postpones Election Action

The Escanaba Area Board of Education, preferring to wait until newly-elected members of the board take office, deferred action on any new attempt to raise operating millage Tuesday night.

Three new members of the Board—Kenneth West and Dr. Donald Alimenti of Escanaba and Daniel Wellman of Ford River—will take office officially July 1.

Feeling of the present board was that the new members should be given an opportunity to express their opinions on the district's financial problems before any action is taken on the possible scheduling of another millage election.

The present board has been defeated four times in requests for operating millage.

Action also was deferred on the question of reinstating the district's hot lunch program for the same reasons. The program was discontinued last fall because of financial problems.

In other action, the Board accepted the bid of Northern Insurance Agency, Escanaba, in the amount of \$7,750 for workman's compensation insurance. Northern Insurance, owned by Al Taylor of Escanaba, and Employers Mutual of Waukegan, represented by R. F. Schmitt of Escanaba, submitted identical low bids. Northern Insurance was awarded the contract on a rotation basis as

Director

Richard Michaels, New York City, will direct the summer season of plays at Keweenaw Playhouse, Calumet, according to Fletcher Johnston, Playhouse executive producer. Michaels, a native of Cleveland, was raised in the theater and was a radio star at five. He has directed plays off Broadway in New York as well as in many playhouses and theaters across the country, and for Army Special Services.

Employers Mutual handled the policy for the past school year.

Floyd Cassidy, who has been supervising principal at Soo Hill and Wells schools, was named supervising principal for Webster and Washington with Don Allis named to succeed him at Soo Hill-Wells. Edward Thompson was appointed teaching principal at Cornell School.

The Board also approved a 10 per cent increase in administrative salaries, and hired six new teachers. They are Judith Haltunen, Karen Koth, Joyce Trombley and Dorothy Westerbach, elementary, and James Pinar and Elnora Vader for the high school.

Alger Backing Putnams' Film Of Lakeshore

The Alger County Chamber of Commerce has sponsored the making of a new VISTA Film entitled "Exploring the New Pictured Rocks National Lakeshore", designed to attract tourists and travelers not only to the Pictured Rocks area but to all parts of the beautiful Upper Peninsula," stated Lloyd Steinhoff, Chamber president.

This new film makes use of a new development which combines the sharpness of still pictures with the attention getting value of movies. It runs continuously and requires no operator.

The new film is now being shown at travel shows, conventions and luncheon club meetings.

The film was produced by the photographer-writer team of Harold and Beatrice Putnam in cooperation with Harold Dunklee, a director of the Alger Chamber of Commerce. The Putnams are creators of the travel guide "North to Adventure in Michigan's Upper Peninsula" and travel guides and films of other areas as well.

In Service

John H. Bergerson, 20, son of Harold Bergerson, 612 N. 19th St., Escanaba, was promoted to Army specialist four in Vietnam where he is serving with the 196th Infantry Brigade. Spec. Bergerson, assigned to Company A, 4th Battalion of the brigade's 31st Infantry near Chu Lai, entered the Army in Jan. 1967, completed basic training at Ft. Gordon, Ga., and was last stationed at Ft. Jackson, S. C., before arriving in Vietnam last June. He has received the Combat Infantryman Badge. He is a 1966 graduate of Escanaba High School and was employed by Hamilton Manufacturing Company, Two Rivers, Wis., before entering the Army. His mother, Mrs. Milton Lindblad, lives at 217 N. 10th St.

Army Pvt. Roger T. Collins, 18, son of Mr. and Mrs. Roland L. Collins, 1012 Washington Ave., Escanaba, completed a field communications crewman course at Ft. Leonard Wood, Mo. During the eight-week course, he was trained to string wire from the field to the communications center. Instruction was also given in basic electricity, switchboard installation and operation and pole climbing.

Officers Elected At Legion Meeting

The joint opening session of the American Legion Upper Peninsula Convention was held at Ishpeming, June 21 at St. Johns School beginning at 8 p.m.

At 4 p.m. the Upper 11th District Auxiliary meeting was held with Mrs. William E. Butler, presiding.

Membership awards of the National President were given to, 82, Escanaba, 301, Rapid River, 559, Rock, 62, St. Ignace, 3, Sault Ste. Marie, 43 Stephenson, for being quota units before Jan. 31, 1968.

The Department of Michigan President's Citations for obtaining 1968 membership by April 1, 1968 were presented to units from Bark River, Escanaba, Newberry, Perkins, Powers, Rapid River, Rock, St. Ignace, Sault Ste. Marie and Stephenson. The Sault Ste. Marie unit received three district awards.

Welfare Program
Mrs. Butler presented the Upper 11th District report of all units: The Child Welfare program amounted to \$1,049.05, which comprised donations to the Kennedy Retarded School, Veterans children, Childrens Home at Otter Lake and other donations. In Community Service a total of \$492 was donated to youth projects, Senior Citizens and the VISTA programs, for a total of 3,846 hours by both Senior and Junior Auxiliary members; Education and Scholarship, 509; Need a Lift books were distributed and 17 girls were sent to Girl's State at Ann Arbor; Membership program, as of June 16 the U-11th District was a "Quota" district.

Security Program
In the National Security program, money was sent to, "Crusade for Freedom" and Operation Homefront Newspaper in cooperation with the Department of Michigan was also successful. Many letters of appreciation were received from the Vietnam servicemen.

Poppies were made for the first time at the Iron Mountain Veteran's Administration Hospital. Most units buy and offer poppies to be worn in memory of the departed heroes of all wars. Profits from the poppies are used in rehabilitation including the Gift Shop program at the Iron Mountain Hospital.

New Officers
New officers elected for the Upper 11th District are: Mrs. Marjorie Stephenson, president, Menominee; Mrs. Olive Gifford, vice-president, Escanaba; Mrs. Mary Alice Butler, secretary-treasurer, Escanaba; Mrs. Dorothy Boyle, Escanaba; Mrs. Elva LaCombe, Sault Ste. Marie and Mrs. Doris Swanson, Menominee, executive committee.

Installation of officers was conducted by Mrs. Minerva Gifford of Ishpeming, past Department president of Michigan. Mrs. William E. Butler was presented with a Past District President's pin. Mrs. Butler was elected as a delegate and Mrs. Odile Miller, alternate to the National Legion Convention to be held in New Orleans Sept. 6-12.

A noon banquet was held at St. John's School with Thomas Bailey of the Royal Canadian Legion, the speaker. The Ishpeming Choralists directed by Jack Boase also presented a musical program followed by the parade. In the evening the drum and bugle competition was held at the athletic field. Escanaba Post and Auxiliary Unit 83 members attending were Commander and Mrs. Roman Gill; Auxiliary President Mrs. Dorothy Boyle; Mrs. Olive Gifford, 11th District secretary-treasurer; William E. Butler, Post 83 service officer; Mrs. William E. Butler, 11th district president.

Mrs. Kenneth Johnson (Gordon Nelson Studio)

Kay Marie Carlson, Kenneth Johnson Wed

Central Methodist Church in Escanaba was the setting Saturday, June 1 for the wedding of Miss Kay Marie Carlson of Escanaba and Kenneth Ward Johnson, Aurora, Wis.

The Rev. Robert Selberg and the Rev. Karl J. Hammar officiated at the double ring ceremony at 4 p. m. Organist for the service was Mrs. Harriet Carlson and soloist was Miss Betty Stonecliff. Bouquets of pink and white gladiolus and carnations adorned the altar for the nuptials.

The bride is the daughter of Mr. and Mrs. Clarence Carlson of 1406 N. 18th St., Escanaba and the bridegroom is the son of Mrs. Alice Johnson of Aurora and the late Elmer Johnson.

Matron of honor for her sister was Mrs. Donna Clark of Kalamazoo and bridesmaids were Mrs. Marise Engel of Milwaukee and Mrs. Joanne Parrillo of Chicago, sister of the bridegroom.

Serving as bestman for his brother was Russell Johnson of Aurora, and groomsmen were Sven Sjoquist of Aurora and Joseph Parrillo of Chicago. Seating the guests were Ronald Noel and Ronald Schneider.

Flower Girl
Flower girl was Miss Lisa Johnson, of Chicago a niece of the bridegroom, and ring bearer was Russell Clark of Kalamazoo.

The bride, given in marriage by her father, wore a floor length white crepe gown fashioned with a scoop neckline, Empire waistline and elbow length sleeves trimmed with white Venice lace. The cathedral train also trimmed with Venice lace was attached to the back waistline by fabric flowers.

Her four tiered elbow length bouffant veil of English illusion was attached to a fabric flower headpiece and she carried a cascade arrangement of pink roses and white carnations.

The bridal aides were attired in floor length crepe gowns styled like the bride's, the maid of honor wore shocking pink and the maids, pretty pink.

First Methodist WSCS Elects New Officers

The Woman's Society of First Methodist Church elected Mrs. John Nicholas president for the coming year at their regular meeting recently.

Other officers are: Mrs. Crawford Perkins, vice president; Mrs. Jack Foster, secretary; Mrs. Milton Embs, treasurer; Mrs. Philip Hiney, Christian Social Relations secretary; Mrs. Ray Salmon, Missionary Education secretary; Mrs. Konstantin Wipp, Spiritual Growth secretary; Mrs. C. Ray Anderson, Local Church Activities secretary; Mrs. Aubrey Berg, Membership and Nominating chairman.

During the business meeting members voted to cancel meetings for July and August. The society will sponsor a bake sale at the Sidewalk Day Sale on July 31.

Hostesses for the afternoon were members of the Miriam-Abigail Circle.

Calvary WMS Meets Thursday

The WMS of the Calvary Baptist Church is meeting at 8 p.m. Thursday at the church.

The program is entitled "Sincere Prayer," and will be presented by Mrs. Larry Deming, Mrs. Bruce Norman, Mrs. Jerold Mills, Mrs. Lowell Nordgren, Mrs. V. Nygaard and Mrs. William Slagstad. Special music will also be provided.

Hostesses for the evening are Mrs. Jerold Mills, Mrs. John Stiglitz, and Mrs. Elwood Oman. Daughters are also invited to attend.

Judith Martin Bride Of Paul B. Hammond

Miss Judith Hope Martin and Paul Brian Hammond, both of Gladstone exchanged vows during a double ring ceremony performed Saturday, June 15 at the First Lutheran Church in Gladstone.

The Rev. Reuben Carlson officiated at the nuptials at 1 p.m. The bride is the daughter of Mrs. Sylvester P. Martin of Lake Shore Drive, Gladstone and parents of the bridegroom are Mr. and Mrs. R. D. Hammond of 1406 Montana Ave., Gladstone.

Maid of honor for the bride was Miss Claudia Malmberg of Wisconsin and bridesmaids were Mrs. Michael Gorenchan, Escanaba, Miss Mary Anderson, Rapid River and Miss Janis Eassey of Bellevue.

White Crepe
The bride chose for her wedding a floor length gown of white crepe styled with a high rise bodice of Chantilly lace, scoop neckline, long lace sleeves and lace edged chapel train.

Her shoulder length silk illusion veil was attached to a pearl crown headpiece and she carried a bouquet of white roses.

The bridal aides were attired in A-line sleeveless gowns of shadow blue crepe trimmed with white lace blue and white flowers. Matching veils completed their attire and they carried bouquets of blue and white pompons.

Serving as bestman was Marvin Pouliot of Escanaba and groomsmen were Pete Weingartner, Lansing, Russel Wickman of Minnesota and Keoke

Mrs. Paul B. Hammond (Gordon Nelson Studio)

Circus Days At Library

Northrup 'Slams' Destroy Tribe

Jim Northrup

By The Associated Press
Detroit's Jim Northrup has swapped his needle for a cannon and turned the Indian reservation into a private artillery range.

Northrup, an unsuccessful bench jockey during Sunday's doubleheader split with Cleveland, exploded from a long slump and tied a major league record Monday night by hitting two grand slam homers as the American League leading Tigers shelled the second place Indians 14-3.

Elsewhere, Reggie Jackson's three-run homer and Ed Sprague's brilliant relief pitching carried Oakland past California 3-2 and Minnesota nipped Chicago 1-0 behind Dean Chance in a rain-curtailed game.

Northrup spent the first game of Sunday's twin bill needing

Luis Tiant from the dugout and drawing an 0-for-4 blank as the Cleveland right-hander tamed the Tigers 3-0.

"I haven't been hitting a lick, and I have to do something," he explained after another futile at-bat in the nightcap sent his batting average sagging to .225.

Fans Twice First
The Detroit outfielder came up in the first inning Monday night with the bases jammed and rookie Mike Paul struck him out. Northrup fanned again in the third before getting another bases-loaded chance with knuckleballer Eddie Fisher pitching for the Indians.

He drilled Fisher's first offering over the right field fence, then unloaded another first-pitch grand slam off southpaw Hill Rohr in the sixth, tying the two-in-one-game mark previous-

ly shared by six others. Of the six, only Baltimore's Jim Gentile, in 1961, had hit a pair in successive innings.

When Northrup came up again in the eighth, reliever Willie Smith walked him on four pitches.

"That's a heckuva way to come out of a slump, isn't it," cracked Northrup, who has three bases-loaded blasts among his 10 homers this year and six career grand slams. "I haven't been hitting for two weeks."

Tries For Fly
Northrup said he was just trying to get a fly ball when he hit his first grand slam in six-run fifth inning off one of Eddie Fisher's knuckleballs.

"The second time, I was thinking more of myself," he continued. "I said to myself, 'Here's your chance to tie the record.'"

Two of the runners who scored on Northrup's sixth-inning homer were hit by reliever Hal Kurtz, the third Cleveland pitcher. Bill Freehan took his base, but Don Wert was carried from the field on a stretcher after he was hit on the batting helmet.

Wert was taken to Shaker Medical Center Hospital where he was admitted for observation and his condition was reported as good. A spokesman said a preliminary reading of X-rays showed no fracture, but that a further examination would be made today.

The game was close, with the Tigers leading 3-2 when Northrup unloaded his first grand slam.

McLain Wins 13th
Denny McLain, 13-2, got the victory, which increased the league-leading Tigers' lead to 7½ games over the runner-up Indians. Rookie Mike Paul absorbed his fourth defeat in his first start for Cleveland.

Detroit Manager Mayo Smith was elated at the way his club bounced back to win the last two games of the series after losing the first three. "I'm satisfied with two out of five," he said.

Jackson's sixth inning homer erased a 2-0 California lead and John "Blue Moon" Odum took a four-bitter into the ninth before two walks forced his exit. Sprague, a side-wheeling rookie, took over and walked Leo Rod-

Reds, Cubs Place Two On National All-Stars

NEW YORK (AP) — Cincinnati and Chicago, two second-division teams, each placed two men on the National League's starting team for the All-Star game against the American League in Houston July 9.

Pete Rose, Cincinnati's right fielder, led all players with 230 of a possible 250 votes. His teammate, Tommy Helms, was named to start at second base on the team announced Monday.

The Cubs have half of the infield—shortstop Don Kessinger, who made the team for the first time, and third baseman Ron Santo.

Willie McCovey of San Francisco is the first baseman, Jerry Grote of New York the catcher and Curt Flood of St. Louis and Atlanta's Hank Aaron the other outfielders.

Aaron, who is on the team for the 14th time, is the only repeater from the 1967 squad that edged the American League 2-1 in 15 innings at Anaheim in its record-setting fifth straight victory.

McCovey had 154 votes to 100 for Rusty Staub of Houston. Helms was an overwhelming choice at second with 182 votes to 26 for Julian Javier of St. Louis and Santo outdistanced Cincinnati's Tony Perez 218-60.

The rest of the National League squad will be announced at a later date. The American League's starting team will be announced Wednesday.

Aaron Amazed At Selection

SAVANNAH, Ga. (AP) — Hank Aaron of the Atlanta Braves said he found it hard to believe he had made the National League's All-Star team.

"This is the biggest surprise I've ever had in my life," he said. "I didn't think I had a chance."

The right-handed hitting right fielder is batting at .236, although he has 13 homers and 38 runs batted in.

Aaron, the All-Star's only repeater, edged out Willie Maye by nine votes, 109-106.

"Boy, they must have voted the first day of the season," he quipped.

He was in Savannah with the Braves for a game against the Southern League All-Stars. However, the game was canceled because of wet grounds.

Flat Rock posted its third victory in the American League of the Escanaba Softball Association Monday, beating LaFave's Raiders' 8-1 at Memorial Field.

In the other game, the Mid-Town Raiders defeated the Independents 13-9.

At Crystal Falls, the Teamsters were eliminated from the Crystal Falls Softball Tournament by Woody's Bar of Lapeer as Werner Maki beat Bill Grooms in a pitchers' duel, 2-0.

Grooms allowed only two hits, but a double and two Teamsters' errors gave Woody's two runs in the fifth inning. Frank Trotter had the lone Teamsters' hit.

Lombardi's Top Tim & Sally's

Connie Verhamme pitched her fourth straight victory of the season as Lombardi's remained unbeaten in the Girls Softball League with an 11-2 victory over Tim & Sally's.

Lombardi's used a balanced attack to beat Sharon Benoit. Tonight, the Civic Boosters meet Cable TV at Boyce Park at 6:30.

To Coach Backfield:

Pinar Joins Esky Staff

Jim Pinar, assistant football coach at Gladstone High School for the past four years and former Holy Name High School football star, was named assistant football coach at Escanaba Area High School Monday night by the Board of Education.

Pinar, 26, also will teach physical education and serve as ninth grade basketball coach.

The son of Mr. and Mrs. Nick Pinar of Wells, Pinar graduated from Holy Name High School in 1960. He won four football letters at Northland College, Ashland, Wis., and paced the team in rushing.

Graduating in 1964, Pinar joined the Gladstone teaching staff. In addition to coaching football, he was junior high track coach and served one

year as junior varsity basketball coach.

Pinar is expected to take over backfield coaching duties for head coach Jerry Cvengros with the Eskymos. He will replace Dick Koski, who accepted the head coaching job at Negaunee.

Pinar is married to the former Nancy Gismess of Ashland. They have two children, William, 5, and Sherri, nine months.

U-M Star Signs
CLEVELAND (AP) — The Cleveland Browns announced they have signed Dave Porter, a tackle from the University of Michigan. Porter was one of five players from the 1968 National Football League draft signed by the Browns.

Once you take a close look at this '68 Impala Custom Coupe, chances are you won't care what other people's 1969's are going to look like. But we'll tell you anyway.

This particular model—with its formal "notchback" roof line—is the most popular one we build. Which means it's by far the most popular '68 anybody builds. Which means (and this is an open secret around Detroit these days) some other cars are going to look a lot like it in '69.

In fact, you'll probably see quite a few Chevrolet niceties on other people's "new" models. Things like disappearing windshield wipers and the protective vinyl insert that runs along the side molding of this year's Impale.

Frankly, we're kind of used to being borrowed from this way by now. Whether it's styling, riding comfort or just plain painstaking workmanship, we know that putting you first keeps us first. And we can't blame other carmakers for wanting to catch up.

But meantime the thing for you to do is drop down and have a talk with your Chevrolet dealer now. Great as our styling looks on this '68 Impala, we can't promise it's going to look so good on a '69 something else.

Happening now at your Chevrolet dealer's, a tremendous explosion of extra buying power. Only the dealer could make it happen.

You've never seen savings like this on '68 Chevrolets and Chevilles. Save on popular V8 engines, automatic transmissions, whitewall tires—and more. Just take a look at these five bonus savings plans. Then see your Chevrolet dealer.

Bonus Savings Plan 1 Any Chevrolet or Chevelle with 200-hp Turbo-Fire V8, Powerglide and whitewalls.

Bonus Savings Plan 2 Any Chevrolet or Chevelle with 250-hp Turbo-Fire V8, Powerglide and whitewalls.

Bonus Savings Plan 3 Any big Chevrolet with 250-hp Turbo-Fire V8, Turbo Hydra-Matic and whitewalls.

Bonus Savings Plan 4 Now, for the first time ever, big savings on power disc brakes and power steering when you buy any Chevrolet or Chevelle with V8 engine.

Bonus Savings Plan 5 Buy any Chevrolet or Chevelle V8 two- or four-door hardtop model—save on vinyl top, electric clock, wheel covers and appearance guard items.

'68 savings explo

Reds, Cubs Place Two On National All-Stars

NEW YORK (AP) — Cincinnati and Chicago, two second-division teams, each placed two men on the National League's starting team for the All-Star game against the American League in Houston July 9.
Pete Rose, Cincinnati's right fielder, led all players with 236 of a possible 258 votes. His teammate, Tommy Helms, was named to start at second base on the team announced Monday.
The Cubs have half of the infield—shortstop Don Kessinger, who made the team for the first time, and third baseman Ron Santo.

Aaron Amazed At Selection

SAVANNAH, Ga. (AP) — Hank Aaron of the Atlanta Braves said he found it hard to believe he had made the National League's All-Star team.
"This is the biggest surprise I've ever had in my life," he said. "I didn't think I had a chance."
The right-handed hitting right fielder is batting at .236, although he has 13 homers and 38 runs batted in.
Aaron, the All-Star's only repeater, edged out Willie Mays by nine votes, 109-100.
"Boy, they must have voted the first day of the season," he quipped.
He was in Savannah with the Braves for a game against the Southern League All-Stars. However, the game was canceled because of wet grounds.

Willie McCovey of San Francisco is the first baseman, Jerry Grote of New York the catcher and Curt Flood of St. Louis and Atlanta's Hank Aaron the other outfielders.

Aaron, who is on the team for the 14th time, is the only repeater from the 1967 squad that edged the American League 2-1 in 15 innings at Anaheim for its record-setting fifth straight victory.

Selection of the Braves' right fielder was a surprise since he is hitting only .236 and is off to the worst start of his 15-year career. He was third in the voting for the outfielders, edging Willie Mays of San Francisco 109-100 for the final outfielder berth. Flood received 166 votes.

Pittsburgh's Matty Alou, the league's leading hitter with a .365 average, was sixth in the balloting with 44 votes.

Grote and Kessinger are on the team for the first time. The Met catcher received 113 votes to 50 for Tom Haller of Los Angeles and 48 for John Bench of Cincinnati while Kessinger outpolled Gene Alley of Pittsburgh 161-72.

Lombardi's Top Tim & Sally's

Connie Verhamme pitched her fourth straight victory of the season as Lombardi's remained unbeaten in the Girls Softball League with an 11-2 victory over Tim & Sally's.
Lombardi's used a balanced attack to beat Sharon Benoit. Tonight, the Civic Boosters meet Cable TV at Royce Park at 6:30.

McCovey had 154 votes to 100 for Rusty Staub of Houston. Helms was an overwhelming choice at second with 182 votes to 26 for Julian Javier of St. Louis and Santo outdistanced Cincinnati's Tony Perez 218-60.

The rest of the National League squad will be announced at a later date. The American League's starting team will be announced Wednesday.

To Coach Backfield:

Pinar Joins Esky Staff

Jim Pinar, assistant football coach at Gladstone High School for the past four years and former Holy Name High School football star, was named assistant football coach at Escanaba Area High School Monday night by the Board of Education.

Pinar, 26, also will teach physical education and serve as ninth grade basketball coach.

The son of Mr. and Mrs. Nick Pinar of Wells, Pinar graduated from Holy Name High School in 1960. He won four football letters at Northland College, Ashland, Wis., and paced the team in rushing.

Graduating in 1964, Pinar joined the Gladstone teaching staff. In addition to coaching football, he was junior high track coach and served one

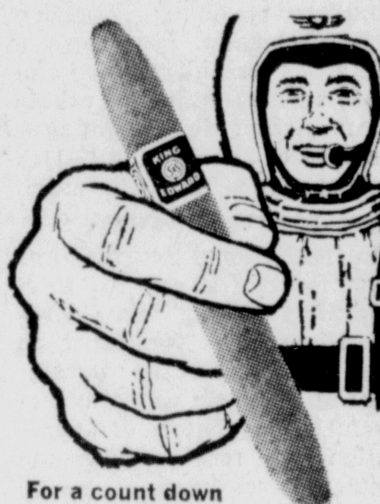

year as junior varsity basketball coach.

Pinar is expected to take over backfield coaching duties for head coach Jerry Cvengros with the Eskymos. He will replace Dick Koski, who accepted the head coaching job at Negaunee.

Pinar is married to the former Nancy Giesness of Ashland. They have two children, William, 5, and Sherri, nine months.

U-M Star Signs

CLEVELAND (AP) — The Cleveland Browns announced they have signed Dave Porter, a tackle from the University of Michigan. Porter was one of five players from the 1968 National Football League draft signed by the Browns.

BLENDING & BOTTLING AT PEORIA, ILL. AND SAN FRANCISCO, CALIF. BY GOODERHAM & WORTS LTD.

Once you take a close look at this '68 Impala Custom Coupe, chances are you won't care what other people's 1969's are going to look like. But we'll tell you anyway.

This particular model—with its formal "hatchback" roof line—is the most popular one we build. Which means it's by far the most popular '68 anybody builds. Which means (and this is an open secret around Detroit these days) some other cars are going to look a lot like it in '69.

In fact, you'll probably see quite a few Chevrolet niceties on other people's "new" models. Things like disappearing windshield wipers and the protective vinyl insert that runs along the side molding of this year's Impala.

Frankly, we're kind of used to being borrowed from this way by now. Whether it's styling, riding comfort or just plain painstaking workmanship, we know that putting your first keeps us first. And we can't blame other carmakers for wanting to catch up.

But meantime the thing for you to do is drop down and have a talk with your Chevrolet dealer now. Great as our styling looks on this '68 Impala, we can't promise it's going to look so good on a '69 something else.

Happening now at your Chevrolet dealer's, a tremendous explosion of extra buying power. Only the leader could make it happen.

You've never seen savings like this on '68 Chevrolets and Chevilles. Save on popular V8 engines, automatic transmissions, whitewall tires—and more. Just take a look at these five bonus savings plans. Then see your Chevrolet dealer.

Bonus Savings Plan 1 Any Chevrolet or Chevelle with 200-hp Turbo-Fire V8, Powerglide and whitewalls.

Bonus Savings Plan 2 Any Chevrolet or Chevelle with 250-hp Turbo-Fire V8, Powerglide and whitewalls.

Bonus Savings Plan 3 Any big Chevrolet with 250-hp Turbo-Fire V8, Turbo Hydra-Matic and whitewalls.

Bonus Savings Plan 4 Now, for the first time ever, big savings on power disc brakes and power steering when you buy any Chevrolet or Chevelle with V8 engine.

Bonus Savings Plan 5 Buy any Chevrolet or Chevelle V8 two- or four-door hardtop model—save on vinyl top, electric clock, wheel covers and appearance guard items.

The Chevrolet Impala Custom Coupe

If you want to know what other people's 1969's are going to look like... take a look at the best liked '68.

MARK OF EXCELLENCE

Joe Frazier Scores TKO, May Take On Jimmy Ellis

NEW YORK (AP) — Joe Frazier, looking more and more like another Rocky Marciano, next may take on Jimmy Ellis in a fight-off for the heavyweight title after his explosive, second round conquest of Mexico's fiery Manuel Ramos.

Frazier retained his five-state version of the heavyweight title after six minutes of thrilling action at Madison Square Garden Monday night.

Even in losing, the hard-hitting, aggressive Mexican champion may be a winner—winner of some more big pay days. He could wind up against either king-sized Buster Mathis or former two-time heavyweight champion Floyd Patterson in the Garden.

Frazier, winner of all 21 of his pro fights, 19 of them by knockouts, was staggered by a right hand to the head in the first round before he rallied to wobble his foe late in the round and then drop him twice in the second round.

Referee Art Mercante stopped the fight after the bell had ended the second round. The 6-foot-3 Mexican had absorbed a savage, relentless body and head pounding and had been down for counts of nine and seven. The second count went on after the

round had ended, according to the rules.

Under New York rules it was scored as a second-round technical knockout.

"It looked like he was indicating he had enough when he waved his gloves but I would have stopped it anyhow," said Mercante. "His eyes looked glassy."

Ramos, the 4-1 underdog, confirmed this later in his dressing

Souchak Wins Michigan PGA

DAVISON (AP)—The eleventh hole at the Davison Country Club held the fate of three Michigan golfers in curious ways Monday in the 48th annual Michigan Professional Golf Association Championship before allowing Mike Souchak to win with a three under par 70-71-141.

Representing Oakland Hills Country Club, Souchak scored a 10th-hole one-under-par birdie followed by a 50-foot birdie putt on the 11th hole to go three strokes up on Glen Stuart of Grand Rapids who had been leading by three strokes.

Stewart's drive from the 11th tee went astray into the woods. After one stroke to get back onto the fairway, his approach shot went out of bounds beyond the green. He holed out with a triple-bogey seven ending the round with a 70-74-144 and fourth place.

Tom Rosely, of Rockford shot 72-71-143 to tie for second with Tom Taulkington, 75-68-143, playing from Washtenaw Country Club.

Talkington also met his doom on the 11th green. After a six-under-par 30 on the front nine, plus a hole-in-one on the seventh green that left him three under par and tied with Souchak, Taulkington found himself 40 feet from the cup. He took four putts to finish the hole and suffered a double bogey six which put him out of the running.

room. He said he had taken enough and his manager Pancho Rosales said the same.

"I knew Frazier could punch but I didn't know he could punch so fast," said Ramos, whose eyes were puffed and discolored. "I thought it was impossible for me to go down."

"I knew my only chance was to punch with him. I know I hurt him in the first round."

That he did. He thrilled the crowd of 10,785, which paid \$121,302 for the televised fight, by gamely trading punches with the ever-pressing Frazier and then by wobbling him with a solid right to the head.

"That's the first time I've ever been hit that hard," said Frazier, who has been floored three times in his career. "He can punch, I'll tell you that. I was really shook, but when you're in condition you can shake it off. Retaliate—that's the best defense for the shot I took."

"I won't fight for a full year unless I can get Cassius Clay or

Jimmy Ellis," said Frazier, recognized as world champion in New York, Pennsylvania, Illinois, Massachusetts and Maine. Ellis, of Louisville, Ky., is recognized as world champion by the World Boxing Association. Clay, still appealing his conviction for avoiding military induction, is considered champion in some parts of the world.

"If we don't make that fight in Stockholm with Floyd Patterson Jimmy will take on Frazier anytime," said Angelo Dundee, Ellis' manager.

Although he was down for 40 per cent of the net gate and of the ancillary rights, which would make his end about \$60,000 it was believed Frazier was guaranteed \$125,000 by the Garden. Ramos, on his 20 per cent, earned about \$30,000 his largest purse ever.

Ramos, 206 to Frazier's 208, had his winning streak snapped at 15. His record is 30-7-2. Frazier matched the retired Marciano's pace of 19 kayos in his first 21 fights.

Sandy Post, 20, Wins LPGA Title

SUTTON, Mass. (AP) — Kathy Whitworth is president of the Ladies PGA and the top money winner on the tour, but she can't be accused of any conflict of interests.

Earlier this year, Miss Whitworth convinced young Sandra Post of Oakville, Ont., to turn pro. Sandy justified Kathy's confidence Monday, dethroning the LPGA prexy as LPGA champion.

"Sandy played super golf," Miss Whitworth said after Miss Post posted a five-under-par 68 in overwhelming the 1967 champ in an 18-hole playoff at Pleasant Valley Country Club.

"She played beautifully," Kathy said. "She was just fantastic. I've seen a lot of fine rounds, but not many like this. She just hit every shot well."

Miss Post, just turned 20 and playing her 11th tournament

since joining the tour, went on a birdie spree in earning \$3,000 and becoming the youngest player, as well as the first foreigner, to win the LPGA title.

Her eight birdies included spectacular putts on lightning slick greens and two spectacular chip shots. She used an 8-iron in chipping out from 35 feet on the 12th hole and then used a wedge on an uphill chip from 100 feet on the 16th.

Sandy was the people's choice, but Kathy tried her best, admitting "this is the first time I've ever been put in the villain's spot."

The 29-year-old Miss Whitworth was two under par, but trailed by four strokes after 16 holes. Then, she gambled on the 17th—and hit the water twice before taking a fat eight on the par 4 hole. She finished with a 75.

Reds' Outfielder Experiments At Bat, Puts Skids On Mets

By The Associated Press
Lee May of the Cincinnati Reds experimented around a little more with his batting stance Monday night. Consequently the New York Mets still were wondering today whether a first division stand really is an impossible dream.

May put the Mets' opportunity reach the .500 level and the first division for the first time ever this late in the season in jeopardy with a three-run homer in the sixth. Then he squelched everything with a run-scoring triple in the 11th that gave Cincinnati a 6-5 victory.

Chicago suffered its fourth straight loss at Houston 3-1 in the only other National League game. Pittsburgh at St. Louis was rained out, and all other league teams were idle.

"I've come up with this new stance," said May after his blow deprived New York of its third chance in recent days to win as many as it has lost.

"I think it's really helping me; I've been doing real well recently. On right-handed pitchers, I open my stance and I can hit the outside pitch better. On left-handers, I tighten my stance and wait until the last possible second."

May did just that off lefty re-

liver Bill Short in lining the triple down the right field line that sent in Johnny Bench, who had singled.

The Mets had trailed 5-2 with two out in the ninth, but Ed Charles' two-run single capped a rally that sent it into extra innings.

A walk, a pinch single by Ed Kranepool and Bud Harrelson's sacrifice fly produced one run. Ken Boswell's single and J.C. Martin's infield hit loaded the bases for Charles, who had singled home a run in the eighth, tied it.

Houston's Larry Dierker had some difficulties with Glenn Beckert and Billy Williams, but the rest of the Cubs were a breeze for the young right-hander who won his seventh after becoming the majors' first 10-game loser last week.

Beckert had three hits and Williams two—including two each in the fourth when the Cubs picked up their only run. But after that outburst, Dierker permitted only one other man to reach first.

The Astros, winning their third in four games, wasted little time in scoring all of their runs in the third.

Rusty Staub singled in one after Dick Simpson walked and moved to third on Hector Torres' single. Jim Wynn's sacrifice fly accounted for another before Denis Manke's triple.

Playoff Decides
Highland Event

The team of Buzz Reigel, Dave Mason, Elaine Fairchild and Doris Costley won a three-way playoff to capture first place in the Highland Golf Club's mixed pari-mutuel.

The winners had tied with two other teams after nine holes with net 65. Nick Chapelski, Einar Beck, Carl Hennickson and Bernice Hanne-mann finished second and the team of Abe Milkovich, Bob Boucher, Carlton Olsen and Marcie Westberg was third.

Ward Steimert fired a 37 for the best men's score. Reigel had low net with 33. Caroline Olson with a 50 and Mrs. Fairchild with a 52 topped the women. Mrs. Olson's 37 was low net.

Trevino Plans
To Play Buick

DETROIT (AP) — U.S. Open champ Lee Trevino said Monday he plans to compete in next week's Buick Open at Warwick Hills Golf and Country Club, Grand Blanc, July 1-7.

Trevino, who missed the recent Canadian Open because his daughter was ill, played in the Rogers Dignity Pro-Am tournament at Plum Hollow, north of Detroit Monday, where he shot a 34-36-68 on the par 72 course. The pro-am was won by Miller Barber who shot 30-31-67.

It was the first time Trevino has ever played in Michigan and he said he also plans to compete in the British Open.

Rest Ordered For Lonborg

BOSTON (AP) — Jim Lonborg, the Boston Red Sox' pitching ace in 1967, was under doctor's orders today to give his valuable right arm a rest.

Lonborg was directed to rest for five days by Dr. Thomas Tierney, the team physician, Monday after negatives of the pitcher's ailing right shoulder were negative.

Lonborg's condition was described as "mild tendonitis." The 1967 Cy Young Award winner threw five pitches, hitting two batters, in a start at Chicago Sunday and then flew back to Boston.

After winning two regular seasons games and adding two victories in the World Series, Lonborg suffered a serious knee injury in a skiing accident last Dec. 24.

He returned to uniform after a long period of recuperation, but has been plagued by shoulder trouble.

St. Louis Signs Jacques Plante

ST. LOUIS (AP) — The St. Louis Blues of the National Hockey League announced Monday they have signed former Montreal goaltender Jacques Plante.

The Blues drafted Plante two weeks ago in the annual NHL hockey draft in Montreal.

General Manager and Coach Scotty Bowman said he expects the former Canadian star to share "pretty evenly" the goalkeeping duties with Blues veteran Glenn Hall.

Hall's work in the playoffs won him the Con Smythe Trophy this year.

Plante was a former winner of the Vezina and the Hart trophies for his outstanding play as a goalie.

He was on the NHL all star team six times, three times on the first team and three times on the second team.

Plante has been in retirement the last three years.

Fate Of Turbine To Be Decided

INDIANAPOLIS, Ind. (AP) — Directors of the U.S. Auto Club met in closed session today to decide the racing fate of the turbine engine.

The special meeting was called to consider a recommendation by the USAC Rules Committee shortly after the Indianapolis 500-mile race May 30 to ban the turbine engine in all

USAC racing with Indianapolis-type cars.

USAC directors can accept or reject the recommendation by the rules committee, or make their own recommendation.

Thomas W. Binford, USAC president, said he expected 17 or 18 of the 21 directors at the meeting in USAC offices near the Speedway.

The rules committee recommended only piston-engine cars be used in all USAC races, effective Jan. 1, 1969.

This would exclude the controversial turbine-powered cars of STP Corp. President Andy Granatelli.

The first STP turbocar came within seven miles of winning the 500 in 1967. Another turbine, modified to meet reduced engine limits set by the USAC, was leading the 1968 race when sidelined by mechanical failure with less than 20 miles left.

Rusty Staub singled in one after Dick Simpson walked and moved to third on Hector Torres' single. Jim Wynn's sacrifice fly accounted for another before Denis Menke's triple.

Boxing Death Probe Begins

COLOGNE, Germany (AP) — An investigation into the possibility of negligent homicide in the death of Jupp Elze, German middleweight boxing champion, was launched Monday by the Cologne prosecutor.

Prosecutor Leopold Schaebel said the investigation arose from post mortem findings that Elze was drugged before his fatal title bout with European middleweight king Carlos Duran of Italy June 12. Schaebel said the investigation was directed at as yet unknown persons suspected of negligent killing.

Elze, 29, died without regaining consciousness eight days after Duran floored him for a 15th round technical knockout. After the fight, Elze underwent emergency surgery for brain injuries.

Justice officials explained that a negligent killing charge could arise in the case of a boxer whose "exhaustion threshold" has been removed by stimulants, fatally increasing his natural strength reserves beyond the danger level.

Germany's Professional Boxer Association also has filed negligent killing charges against unknown persons, it was announced Monday.

Pari-Mutuel Set At Country Club

Teams for the July 4 pari-mutuel golf tournament at the Escanaba Country Club will be made up by the Golf Committee and Professional Jim Crichton, it was announced today.

Members planning to play in the event which begins at 8 a. m. with a shotgun start should sign up at the pro shop. Playing partners and teams will be announced next week.

Fate Of Turbine To Be Decided

INDIANAPOLIS, Ind. (AP) — Directors of the U.S. Auto Club met in closed session today to decide the racing fate of the turbine engine.

The special meeting was called to consider a recommendation by the USAC Rules Committee shortly after the Indianapolis 500-mile race May 30 to ban the turbine engine in all

USAC racing with Indianapolis-type cars.

USAC directors can accept or reject the recommendation by the rules committee, or make their own recommendation.

Thomas W. Binford, USAC president, said he expected 17 of 18 of the 21 directors at the meeting in USAC offices near the Speedway.

The rules committee recommended only piston-engine cars be used in all USAC races, effective Jan. 1, 1969.

This would exclude the controversial turbine-powered cars of STP Corp. President Andy Granatelli.

The first STP turbocar came within seven miles of winning the 500 in 1967. Another turbine, modified to meet reduced engine limits set by the USAC, was leading the 1968 race when sidelined by mechanical failure with less than 20 miles left.

Although the turbines never have won a USAC race, owners and drivers of conventional piston-engines cars maintain the turbines are no competitive match.

Council Grants Option For Sale Of City Hall

City Council formally extended an option to the U. S. Department of Agriculture Monday night confirming an agreement to purchase City Hall for \$40,000.

The option has a 12-month exercise clause and allows the city use of the building until Sept. 30, 1969.

The offer to purchase was made by the U. S. Forest Service at a special Council session on June 12. Since that time, the city property, a gift from Inland Lumber and Stone Co., has been publicly advertised for sale but no other bids were received. The Forest Service had made previous offers to the city.

City Manager Robert Noe and Mayor Leo DeMars both expressed Council's view in the decision to accept the Forest Service offer to purchase.

"This is not a hasty decision which suddenly confronted us, but one we have discussed for many years. We feel it will be a step in the right direction if we house our city departments in the same building (apparently referring to a plan to build a city building adjacent to the new DFW garage off Maple St.) and will make for more efficient government operation. However, it is still possible that a City-County Building will be constructed."

Roger Johnson, Land Staff, U. S. Forest Service, Escanaba, accepted the signed option from City Council.

Bids on new heavy-duty machinery and insurance for workmen's compensation and fleet and general liability were opened and referred to the city manager for study and evaluation. Bids will be awarded at a special council meeting at 4:30 p. m. Thursday.

A resolution backing the proposed senior citizens' housing project was extended by council to City Manager Noe, who will be in Chicago July 2-3 for a final conference with officials of HUD and hear their decision on approval or rejection of the city's plans. If Manistique gains HUD's approval, final papers will be signed around July 17, Noe indicated.

The total development budget amounts to \$526,923, slightly in excess of \$15,000 per unit. Manistique's plans call for a 35-unit structure to be erected on East Shore Dr. overlooking Lake Michigan.

Mrs. J. Joseph Herbert was appointed to the School and Public Library Board, and Council endorsed a resolution to Governor Romney urging him to broaden and intensify the maintenance program on U. S. 2 before recessing until Thursday.

Council Debates Teen Gathering On City Street

What recourse does a person have who is annoyed, hindered, or subjected to abusive language by teenage boys who congregate on the sidewalk outside of the La Folle's Malt Shop?

"None," City Attorney William F. Hood explained to City Council Monday night, "unless a policeman is present to witness the incident, in which case an arrest will be made, or the citizen makes a formal complaint against the guilty one or ones involved."

A very lengthy — and sometimes heated — discussion on the teenage "jam" at LaFolle's evolved when Dallas Dunning Rte. 1, presented a written complaint to Council on his recent experience with two teenage boys who dented his car by sitting on the hood when it was parked in front of LaFolle's, and assailed him with profane language.

Dunning said he attempted to flag down the city patrol car whose occupants did not see him or refused to stop — and had gotten no satisfaction on the matter after talking to the police chief.

He appealed to Council to "do something about this problem," asserting that "the police force is inadequate and has a negative attitude toward the teens."

Dunning also said that just recently an intersection bottleneck occurred when three cars were double-parked in front of LaFolle's with approximately 17 boys gathered around them and the City Police ignored this condition, he said.

Hood explained that Section 8.301, City Ordinances, covered loitering on city streets by making it a misdemeanor to annoy or hinder passer-bys.

While not passing loitering by teens around the LaFolle area but emphasizing the implications of a broad ordinance and the handicap under which the police operate, Hood ex-

Airman Babbitt Honored By Unit At Thailand Field

Airman First Class James L. Babbitt, son of Mr. and Mrs. Leroy R. Babbitt of Thompson, has been named Outstanding Airman in his unit with the 425th Strategic Wing at U-Tapao Airfield, Thailand.

Babbitt, a Strategic Air Command aircraft mechanic, was selected for his exemplary conduct and duty performance. He supports B-52 Stratofortress bombers which daily attack Viet Cong targets and KC-135 Stratotankers which provide refueling to fighter, bomber and reconnaissance aircraft conducting the air war over Vietnam.

The airman was assigned at Pease AFB, N.H., before arriving in Thailand. He is a 1964 graduate of Manistique Central High School.

Song Books Are Earl Cousineau Library Memorial

"The Lerner and Lowe Song Book" and the "George and Ira Gershwin Song Book" have been donated to the Manistique School and Public Library by the Class of 1938 as a memorial to the late J. Earl Cousineau.

The book contains the words and music for many songs and are arranged for voice, piano, and guitar and feature many pictures and background information of great musical shows.

The books have been processed and are available for circulation.

Wuehle's Poem Is Published

A poem by Edwin E. Wuehle, superintendent of Manistique Area Schools, was published in the June 16 edition of the Chicago Sunday Tribune.

"Aik Radloff" a verse-tribute to an American soldier killed in Vietnam appeared in the "Today's Poets" section of the "Magazine" of the Tribune.

Wuehle has also published in "Scimitar", several religious magazines, and the Grand Rapids Press.

Church Events

First Baptist
Daniel Bannon, a native of Massachusetts, was the guest speaker at the 11 a. m. Worship Service Sunday. Mrs. Bannon was also present. The First Baptist BYF Association will hold their picnic Saturday at Au Sable Lake. Cars for transportation will be leaving the church at 10 a. m. Members are reminded to bring lunch and table service. Mr. and Mrs. Roger Tyrell may be contacted for further details. The Flower Committee requests all flowers and plants for Sunday's 11 a. m. Worship Service be left in the church kitchen by Saturday, 3 p. m.

Methodist
Weekend guests at the home of Fred Pizala and his daughter, Ruth, 176 N. Cedar St., were Mr. and Mrs. Elwood Cheney of Fowlerville and Mr. and Mrs. Lester Monroe of Webberville, Mich.

Mrs. Charles Spaw and Nancy and Jack of Paw Paw are spending the summer with her mother, Mrs. Ludwig Hough, 514 Michigan Ave.

Joseph Nelson of Chicago is visiting with his parents, Mr. and Mrs. Alvin Nelson, Range St., after an extended trip to the East Coast.

Mr. and Mrs. Ron Miller of Marquette and daughter Dawn were weekend guests of Mr. and Mrs. George Miller, Indian Lake.

Briefly Told

The Senior Citizens will meet tonight at 7:30 p. m. in the K of C Hall.

Cedar guards and drummers of the Drum and Bugle Corps will meet at 8:30 tonight for practice at the Youth Center. After practice the group will be held for uniforms at the city hall.

Propeller Kills

CHICAGO (AP) — Mrs. Jean Dowling, 45, of 181 N. Sheridan St., Algonia, Mich., was killed Monday when she walked into a revolving propeller of an airplane at the Butler Aviation section of O'Hare International Airport during a heavy rain storm.

Chiefs Rack Up Two Wins In Play During Weekend

The Manistique Chiefs recorded their seventh win, against one loss, when they defeated the Marquette Legion Team 4 to 3 Sunday at Cardinal Field.

The Chiefs opened the scoring in the fourth inning as Russ King walked, went to second on a passed ball, advanced to third on Gary Sample's bunt, and came home on Dave Gould's sacrifice fly.

They scored twice in the sixth on a walk to Larry Roberts, a single by Curt Prond, a walk to Sample, a passed ball, and Bob Cowman was hit by a pitch. The Chiefs scored again in the seventh on three walks and Paul Demars' first of two hits. Russ King pitched a one-hitter for the Chiefs, striking out 15.

Marquette scored three runs in the ninth on a passed ball, their only base hit, a hit batsman, a walk, and a steal of home.

Brown started on the mound for Marquette and was relieved by Nyquist in the seventh. The two gave up three hits and struck out seven. King did not allow a hit until the ninth inning which was a ground ball just out of the reach of second baseman Gould.

The Chiefs return to Wau-bung League play next Sunday against Cooks at Cardinal Field at 2 p. m. and then host Schaffer at 11 a. m. on July 4 at Cardinal Field.

The Chiefs defeated the Ne-gaunce Legion team on Saturday 4 to 1 in a game played at Cardinal Field.

Bay Cliff Benefit Attended By 200

Approximately 200 people attended the "International Smorgasbord" and dance Saturday night at the Indian Lake Golf and Country Club and the benefit was termed "a success" for the Bay Cliff Health Camp fund by Mrs. Roland Hoholik, general chairman of the drive.

The buffet - smorgasbord serving began at 6:30 p. m. and dancing to Gorch's Orchestra followed the dinner.

The club dining room featured an Italian decorated motif with a ceiling-suspended mobile insignia of Bay Cliff dominating the center of the room. Serving was by the board of directors committee.

Mrs. Hoholik said today that contributions are still being accepted and may be mailed to Gerald Graphos, treasurer, First National Bank, Manistique.

\$50.00 REWARD

for the return of my billfold and contents. Lost in the downtown business district Friday morning. If found please return to Vance Watkins, Dipper Motel.

Schoolcraft County EVENTS AND NOTICES

K. C. Bishop Baraga will sponsor a Rummage Sale each Thursday and Friday from 1-5 p. m. at the Trudean Store, 625 Deer St. Donations of articles will be appreciated and may be left at the store.

The Hospital Auxiliary will hold a Book Sale at the Ford Garage, July 8-12. Anyone wishing to donate may contact Mrs. Donald Curran, 341-2211 or Mrs. Cora Guidebeck, 341-2989.

The WSCS are sponsoring a Pasty Sale Thursday, June 27, at the United First Methodist Church and Gamble Store. Phone 341-5491 or 341-5812 for orders.

A 50c car wash, sponsored by the new sophomore class of MHS, will be held July 6 at the Gulf Station, Elk and River Sts., and Nelson's "66", Deer and Houghton.

A Paper Drive will be held Saturday, June 29 in the St. Francis parking lot, sponsored by the Parish School Board. Anyone wishing a pickup should call 341-2044.

Support Old Fashioned Days — July 3rd and 4th. Please! All Vets' Organizations are now soliciting. Chairman: Emery Barnes and committee.

Daily Rummage Sale sponsored by St. Jude Circle in the garage of Mrs. William A. Norton, 121 S. 2nd St.

The Bay Cliff Health Camp Financial Drive now in progress. Mail donations to Gerald Graphos, First National Bank

Presented as a Public Service Every Week By:

Pheasant Hunt Prospect Dim

LANSING (AP) — Pheasant hunters will have little to crow about this autumn.

Department of Conservation biologists report that breeding populations of rumpheas are down about 35 per cent from a year ago.

Unless the gaudy birds can bring off a successful batch, the pheasant hunting outlook for fall is grim in Lower Michigan, biologists report.

Even if the nesting season is successful, game men add, the number of birds in stubble and corn fields will be slightly lower than last year.

"There is enough flooding of low areas in late May to make it doubtful that the birds can completely rally back to their 1967 level," said Victor S. Janson, the department's pheasant specialist.

The population decline was reported following a recently completed "crowing" census. Biologists motoring about the countryside listened for cackling pheasants and compared their numbers to previous years.

The crowing census revealed that rumpheas breeding populations had declined about 35 per cent.

The decline was not unexpected because the department reported a 40 per cent decline last year in the pheasant crop.

\$20 Million Set For School Aid

LANSING (AP) — Some \$20 million available for advance state aid payments to financially distressed school districts "may prove to be some of the best invested money in Michigan education," the state's school chief said Monday.

"The \$20 million isn't going to be a cure-all for poorer districts by any means," said Dr. Ira Polley, state superintendent of public instruction.

"But it will, for some, make an extremely critical difference because for most districts every dollar counts."

The State Administrative Board authorized the advance, up to a total of \$20 million, last week. The advances are subject to approval by the Department of Education and the office of State Treasurer Allan Green.

In general, the \$20 million will be allocated to districts with low valuations on which to support schools, those which have almost no alternative to advances in order to remain solvent, Polley said.

"The money available now for advances isn't additional money for schools," Polley emphasized.

"For school districts desperately trying to juggle income with outgo, getting money a few weeks or days early can be greatly significant."

Polley said his department has no formal requests for state aid advances from school districts because for more than a year no funds have been available for them.

HUD Home Grant

WASHINGTON (AP) — The Detroit Housing Commission has been awarded a \$2.3 million federal Department of Housing and Urban Development grant to buy and rehabilitate 223 low-rent homes on Grand Boulevard. HUD also approved a financial assistance contract providing \$2.7 million to Arthur Arduin of the Hotel Wolverine for the purchase of 226 low-rent apartments.

State's Leaders Pay Tribute To Sen. Frank Beadle

LANSING (AP) — State government leaders, headed by Gov. George Romney, planned to pay tribute tonight to Sen. Frank D. Beadle, who is retiring this year after 15 years as a senator.

Romney, Lt. Gov. William Milliken and T. John Lesinski, former lieutenant governor and now chief appeals court judge, are among those scheduled to speak at Beadle's testimonial dinner in Lansing.

Beadle, a St. Clair Republican, is chairman of the Senate Appropriations Committee. Another speaker at the dinner will be Rep. Arnold Engstrom, R-Traverse City, House Appropriations chairman, who also has announced plans to retire this year.

Ruin Threatens Lake Michigan

TORONTO, Ont. (AP) — A Pennsylvania health director warned Monday that the combination of commercial forces that brought pollution to Lake Erie could bring the same ruin to Lake Michigan.

Walter Lyon of the State Health Department in Harrisburg said industrialization and the resulting population growth along the Great Lakes shorelines has made the lakes a catch-all for waste.

"Once the processes of cleaning fall behind the inflow of new pollutants... you have a Lake Erie," he said. "If we fail to initiate a comprehensive systems approach to environmental management, Lake Michigan will follow Lake Erie into advanced eutrophy."

Lyon told the opening session of the three-day Great Lakes Water Resources Conference that it was "through the agency of man" that the sea lamprey and the alewife were permitted to enter the upper lakes.

He said the opening of the Welland Canal introduced a sea lamprey into Lake Erie and from there to upper three lakes "where it wreaked untold devastation on Lake Trout and other fish populations."

The canal also permitted the alewife, an ocean fish which apparently entered Lake Ontario about 1880, to circumvent Niagara Falls and enter the upper lakes too, he said.

Lyon said the St. Lawrence Seaway has brought bigger ships, and consequently more waste to the lakes.

Achievement of better conditions, he said, can come only through total planning and full cooperation of private enterprise and government at all levels.

Fiat Produces Cars In Korea

SEOUL (AP) — Fiat will enter a three-way auto industrial race in South Korea with American Ford and Japanese Toyota in October when it starts assembling cars and trucks here.

Asia Motors Corp. in Seoul said Monday it planned to open in mid-October an assembly plant with an eventual annual capacity of 15,000 units, for which Fiat of France is providing \$12.5 million.

Heads DAV

FLINT (AP) — Don D. Van Valkenburg of Flint, an employee of Consumers Power Co., was elected state commander of the Michigan Disabled American Veterans at the group's 34th annual meeting in Flint.

Mrs. Elsie Belle of St. Joseph was named state commander of the DAV's state auxiliary.

Card of Thanks Nelson

I wish to express my sincere thanks and appreciation to friends, neighbors and relatives for the many cards, gifts and flowers I received while I was a patient at St. Francis Hospital. I am also grateful to the nurses for their excellent care.

Mrs. Selma Nelson

Sundin

We wish to thank our friends, neighbors and relatives, the Doctors, Nurses, Student Nurses and staff of St. Francis Hospital for their assistance during the illness and death of our beloved husband and grandfather, Arvid Sundin. We are very grateful to our minister, Pastor L. J. Sundin, for his services to the Walter Cole Plot, to the pallbearers and drivers of the casket, the Communion Society, and to those who sent floral and spiritual messages, the donations of food and drink, and to the Lutheran Ladies Aid who served lunch and anyone else who helped in any way to lighten our burden of sorrow. Your kindness will never be forgotten.

Mrs. Arvid Sundin,
Mr. and Mrs. Alfred Sundin,
Mr. and Mrs. John Moberg

Pheasant Hunt Prospect Dim

LANSING (AP) — Pheasant hunters will have little to crow about this autumn.

Department of Conservation biologists report that breeding populations of ringnecks are down about 35 per cent from a year ago.

Unless the gaudy birds can bring off a successful hatch, the pheasant hunting outlook for fall is grim in Lower Michigan, biologists report.

Even if the nesting season is successful, game men add, the number of birds in stubble and corn fields will be slightly lower than last year.

"There is enough flooding of low areas in late May to make it doubtful that the birds can completely rally back to their 1967 level," said Victor S. Janson, the department's pheasant specialist.

The population decline was reported following a recently completed "crowing" census. Biologists motoring about the countryside listened for cackling pheasants and compared their numbers to previous years.

The crowing census revealed that ringneck breeding populations had declined about 35 per cent.

The decline was not unexpected because the department reported a 40 per cent decline last year in the pheasant crop.

\$20 Million Set For School Aid

LANSING (AP) — Some \$20 million available for advance state aid payments to financially distressed school districts "may prove to be some of the best invested money in Michigan education," the state's school chief said Monday.

"The \$20 million isn't going to be a cure-all for poorer districts by any means," said Dr. Ira Polley, state superintendent of public instruction.

"But it will, for some, make an extremely critical difference because of most districts every dollar counts."

The State Administrative Board authorized the advances, up to a total of \$20 million, last week. The advances are subject to approval by the Department of Education and the office of State Treasurer Allison Green.

In general, the \$20 million will be allocated to districts with low valuations on which to support schools, those which have almost no alternative to solvent, Polley said.

"The money available now for advances isn't additional money for schools," Polley emphasized.

"For school districts desperately trying to juggle income with outgo, getting money a few weeks or days early can be greatly significant."

Polley said his department has no formal requests for state aid advances from school districts because for more than a year no funds have been available for them.

HUD Home Grant

WASHINGTON (AP) — The Detroit Housing Commission has been awarded a \$2.3 million federal Department of Housing and Urban Development grant to buy and rehabilitate 223 low-rent homes on Grand Boulevard. HUD also approved a financial assistance contract providing \$2.7 million to Arthur Arduin of the Hotel Wolverine for the purchase of 238 low-rent apartments.

BERRY'S WORLD

"The trouble with people today is—nobody wants to work!"

State's Leaders Pay Tribute To Sen. Frank Beadle

LANSING (AP)—State government leaders, headed by Gov. George Romney, planned to pay tribute tonight to Sen. Frank D. Beadle, who is retiring this year after 18 years as a senator.

Romney, Lt. Gov. William Milliken and T. John Lesinski, former lieutenant governor and now chief appeals court judge, are among those scheduled to speak at Beadle's testimonial dinner in Lansing.

Beadle, a St. Clair Republican, is chairman of the Senate Appropriations Committee. Another speaker at the dinner will be Rep. Arnell Engstrom, R-Traverse City, House Appropriations chairman, who also has announced plans to retire this year.

Ruin Threatens Lake Michigan

TORONTO, Ont. (AP) — A Pennsylvania health director warned Monday that the combination of commercial forces that brought pollution to Lake Erie could bring the same ruin to Lake Michigan.

Walter Lyon of the State Health Department in Harrisburg said industrialization and the resulting population growth along the Great Lakes shorelines has made the lakes a catch-all for waste.

"Once the processes of cleansing fall behind the inflow of new pollutants...you have a Lake Erie," he said. "...If we fail to initiate a comprehensive systems approach to environmental management, Lake Michigan will follow Lake Erie into advanced eutrophy."

Lyon told the opening session of the three-day Great Lakes Water Resources Conference that it was "through the agency of man" that the sea lamprey and the alewife were permitted to enter the upper lakes.

He said the opening of the Welland Canal introduced a sea lamprey into Lake Erie and from there to upper three lakes "where it wreaked untold devastation on Lake Trout and other fish populations."

The canal also permitted the alewife, an ocean fish which apparently entered Lake Ontario about 1880, to circumvent Niagara Falls and enter the upper lakes too, he said.

Lyon said the St. Lawrence Seaway has brought bigger ships, and consequently more waste to the lakes.

Achievement of better conditions, he said, can come only through total planning and full cooperation of private enterprise and government at all levels.

Fiat Produces Cars In Korea

SEOUL (AP)—Fiat will enter a three-way auto industrial race in South Korea with American Ford and Japanese Toyota in October when it starts assembling cars and trucks here.

Asia Motors Corp. in Seoul said Monday it planned to open in mid-October an assembly plant with an eventual annual capacity of 15,000 units, for which Fiat of France is providing \$12.5 million.

Heads DAV

FLINT (AP) — Don D. Van Valkenburgh of Flint, an employee of Consumers Power Co., was elected state commander of the Michigan Disabled American Veterans at the group's 34th annual meeting in Flint.

Mrs. Eileen Sells of St. Joseph was named state commander of the DAV's state auxiliary.

Card of Thanks

Nelson

I wish to express my sincere thanks and appreciation to friends, neighbors and relatives for the many cards, gifts and flowers received while I was a patient at St. Francis Hospital. I am also grateful to the nurses for their excellent care.

Mrs. Selma Nelson

Sundin

We wish to thank our friends, neighbors and relatives, the Doctors, Nurses, Student Nurses and Aides of St. Francis Hospital for their assistance during the illness and death of our beloved husband, father and grandfather, Arvid Sundin. We are very grateful to our Minister, Rev. Ingemar Levin, for his services to the Walter Cole Post, to the pallbearers and drivers of the cars, the Community of Isabella, those who sent floral and spiritual bouquets, the donations of food and to the Bethany Lutheran Ladies Aid who served lunch and anyone else who helped in any way to lighten our burden of sorrow. Your kindness will never be forgotten.

Mrs. Arvid Sundin,
Mr. and Mrs. Alfred Asplund,
Mr. and Mrs. John Moberg

1. Announcements

NOTICE OF SANITARY SEWER AND WATER MAIN EXTENSION Pursuant to resolution adopted by the City Council, NOTICE IS HEREBY GIVEN:

That the City of Escanaba proposes to make the following improvement, viz:

To extend the sanitary sewer and water main in the following location:

5th Avenue South, West from 28th Street to 30th Street.

That the City of Escanaba estimates of cost have been filed in my office and are open for public inspection.

The Council has designated as the district to be assessed for said improvement, all the lots and parcels of land fronting and abutting upon said proposed improvement, the same to be assessed according to frontage thereof.

The Council will meet at its regular session on the 1st day of July, 1968, and will hear objections to the improvement as assessed, and to the district to be assessed.

Dated: June 25, 1968.

Donald J. Guindon
City Clerk.

New 'Solid' Spud Can Boost Yields

A "solid" potato—one that could yield 1,000 pounds more food per acre than "normal" potato varieties—has been developed by a Michigan State University scientist.

The new type of potato could become a full-fledged variety and released commercially within two to three years. Then again, it may never leave MSU's Agricultural Experiment Station plots.

It all depends on whether the potato processing industry is ready for the new spud.

The new potato seedling is made up of about 30 per cent solid solids. Normal potatoes are only about 20 per cent solids.

Dr. Norman R. Thompson, MSU crop scientist who developed the seedling, said this characteristic suited the potato especially suited to processing potato chips and potato flakes.

Double Chipping

"With this potato, you could get nearly double the weight of potato chips from every 100 pounds of potatoes," he reported. "But, because the potato is heavier, every one-pound bag of potato chips would be only half the size of the one-pound bag produced from normal potatoes."

The scientist explained that the seedling has higher total solids, less water and higher specific gravity than normal potatoes. This means you'd get more food from each acre, but less volume per pound.

"This seedling will probably yield around 300 cwt. per acre, compared to many other varieties that yield at least 400 cwt.," noted Thompson. "But, you could get 1,000 pounds more solids—more food—per acre from the new seedling."

Color Problems

This potential new variety has another problem: its color. Its flesh is golden. The most popular varieties for flaking or chipping are white.

But Dr. Thompson says it has more flavor. And, while it may have "different" eye appeal, it has greater appeal to the taste buds.

The trick will be to get processors interested in the new potato so that its development and release as a variety will be encouraged. Dr. Thompson hopes that it will be because of the great potential for potato processing, particularly for Michigan.

"Potato producers in Michigan have complemented enjoyed their fresh potato markets," he said. "Few appear worried about the future. However, our markets are changing."

Process Grows

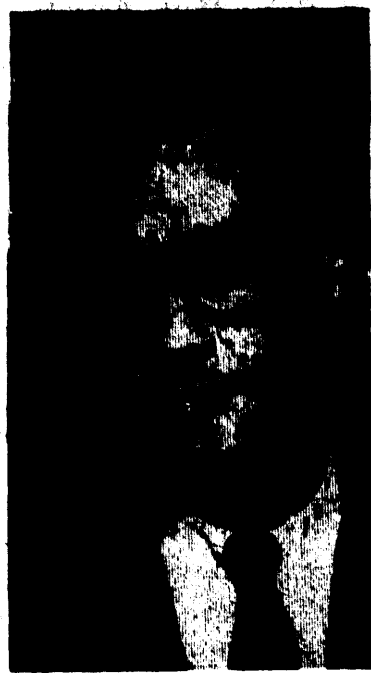

"Processed potatoes continually account for a larger portion of the potatoes consumed by each person each year. In 1957 our consumption was 94 pounds of fresh potatoes and 15 pounds of processed potato products. In 1966 it was 66 pounds of fresh potatoes and 40 pounds of processed potato products."

"Economists predict a continual increase in the use of processed, convenient packaged potatoes."

Thompson said Michigan enjoys a great advantage for expanding potato production, particularly for processing. He noted that the state is within a relatively short distance of a great share of the nation's population and that ten million hundredweight of Michigan potatoes are processed by chip-makers within Michigan's delivery area.

Most of the potential for potatoes like the experimental cultivator is in the form of dehydrated potato products or chipping. The dehydrated potato market has increased sevenfold in the last decade and now accounts for about 21 per cent of the total market for potatoes. Potato chips now account for 34 per cent of the market. Thompson plans to concentrate his research on variety development to take advantage of these expanding markets.

Hydrosphere is the aqueous envelope of a planet.

PSYCHOLOGIST Lowell J. Grabau has been appointed by the Community Mental Health Center Compact to provide comprehensive mental health services to Delta County on a full-time basis for the Delta County Child Guidance Clinic. Formerly a clinical psychologist at Big Spring State Hospital, Tex., Grabau will hold office hours 8 a. m. to 5 p. m., Monday through Friday, at this Doctors' Park office, phone 786-6441 or 6474.

William Argentino, a pharmacy student at Ferris State College, is vacationing here this week. Argentino will spend the summer at Ferris working on a drug research project. He is the son of Mr. and Mrs. Michael Argentino.

Mrs. Belle Vizona is a patient at the Munising Hospital.

Diane Carlson, Lorraine Hendrickson and Mary Ito have returned from Michigan State University where they attended a 4-H Leadership School.

The local office of the Alger-Marquette Community Action Board will be open daily from 1 to 3 p. m. at the town hall.

Mr. and Mrs. Michael Argentino have arrived from Fresno, Calif. to spend the summer at their home here. Miss Valerie Germaine, also of Fresno, will be their guest for the summer.

Mr. and Mrs. Lloyd Lee have returned from Cloquet, Minn. where they attended the ordination of their son, the Rev. Robert L. Lee, at the Free Lutheran Church.

It is said that Weddell seals will dive as deep as 1,500 feet in search of food.

Lake Shore Inc. Renames Heads

Lake Shore, Inc., shareholders in annual meeting in Iron Mountain elected Peter B. Mitchell, industrial products sales manager, for Lake Shore since 1966, as a director to succeed the late Abbott M. Fox. Mitchell will also continue to serve as corporate secretary.

Re-elected as officers of the company by the Board of Directors were B. W. Reeve, president; J. T. Malsack, executive vice president; R. S. Shepard, vice president; J. R. Greenly, vice president; P. B. Mitchell, secretary; and G. M. Refner, treasurer.

All directors were re-elected. They are R. Q. Archibald, Ne-

Cabin Breakings Are Reported

Breaking and enterings at four camps in Delta County are under investigation by State Police.

Miscellaneous items were taken in all of the breaking and enterings, troopers said.

Owners of the camps and their locations are: Francis Dittich, Rte. 1, Escanaba, camp along County Rd. D-13 in Escanaba Township; Elizabeth Brotherton, 314 S. 14th St., camp in Ensign Township near Schaeve Lake; Ronald Martin, 517 Michigan Ave., camp along County Rd. 519 in Baldwin Township; and Bud Erickson, Escanaba, camp in Bay de Noc Township.

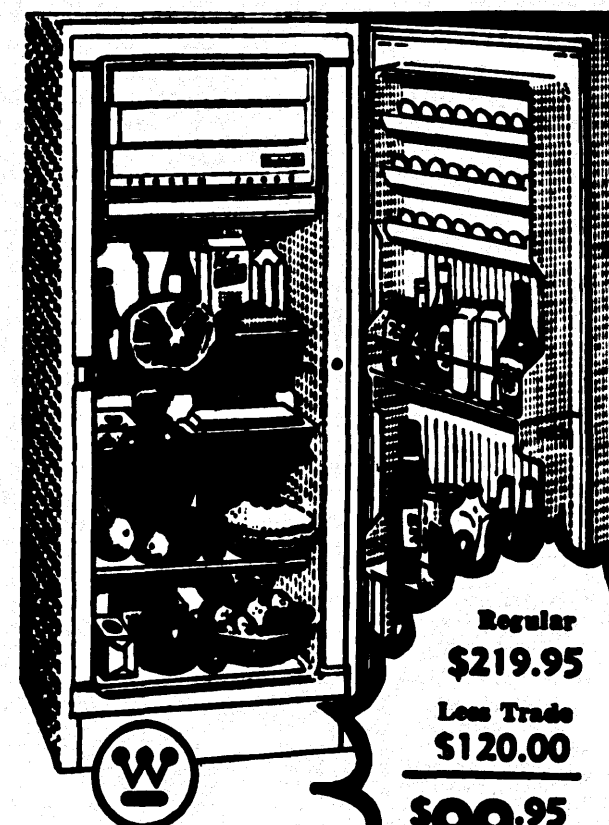

Lake Shore's main offices are in Iron Mountain, with plants in Iron Mountain and Marquette; service and supply centers in Negaunee, Hibbing, Minnesota, Phoenix, Arizona; and a Canadian subsidiary with offices and warehouses in Montreal and Toronto.

Products manufactured by the company are electro-hydraulic cargo winches, topping winches, davit and mooring winches, deck cranes, davits and other on-deck machinery, mine cars, skips, cages, sheaves, floor plates, laboratory tables, engine jacks, and many other products for the marine, mining and automotive industries.
